- Using Critical Consciousness to Challenge Inequity
- Using Warm Demand to Build Student Achievement
- Working Against Racial Bias

Planning and Delivery

Backwards Design:

- Backwards Planning a Unit
- Teaching Close Reading

English Language Learners:

- Contrastive Analysis: Learn and Affirm Language
- Structuring Academic Conversations
- Supporting Language Development through Social Interaction

- Using Morphology to Support English Language Learners
- Valuing Bilingualism

Elements of Delivery:

- Annotation as an Interactive Reading Strategy
- Combining Cognitive Overload
- Creating Multi-Sensory Experiences to Improve Memory Retention
- Delivering Questions Effectively
- Developing Behaviors for Cooperative Learning
- Engaging Emotions to Improve Memory Retention
- How to Model Effectively
- Organizing Information to Improve Memory Retention
- Preparing for Student Discussions
- Structuring Cooperative Learning
- Using Bloom's Taxonomy to Plan Questions

Differentiation:

- Differentiation Strategy: Performance Tasks
- Differentiation Strategy: Respectful Tasks that Honor Multiple Intelligences
- Differentiation Strategy: Student Choice
- Preparing to Differentiate: Learner Profile
- Preparing to Differentiate: Student Interest
- Preparing to Differentiate: Student Readiness
- Strategies to Address Specific Learning Disabilities in Reading
- Strategies to Address Specific Learning Disabilities in Writing
- Supporting Students with ADHD
- The Basics of Differentiation

Components of Inquiry:

- Design a Problem-Based Learning Experience

Components of Direct Instruction:

- Elements of a Lesson Closure
- Elements of a Lesson Opening
- Pulling Back the Curtain on Homework

Checks for Understanding:

- Delivering Effective Feedback
- Using Feedback to Foster Discussion

Motivation

Motivation Theory:

- Be the Spark: Nurturing Student Inspiration
- Helping Students *Want* to Achieve
- Helping Students Believe they Can Achieve
- Student Motivation Theory: I can and I want

Culture of Achievement:

- Giving Effective Praise
