- Listening: 26, Listening: 5.5
- Speaking: 22, Speaking: 7.0
- Reading: 12, Reading: 5.5

3. Documents official Oral Proficiency Interviews (OPIs)

- I have access to all past OPI and OPIc and current Profluent+ scores
3. Documents official Oral Proficiency Interviews (OPIs)

Fall 2019 graduate applicants:

- Advise them to take the web-based proctored OPIc Oral Proficiency Interview before they arrive on campus.
- Ideally, have them take the OPI before you hire them!
- Registration instructions can be accessed at http://www.uwyo.edu/elc/international-teaching-assistants/graduate_admissions/index.html.

- This test is MANDATORY for all Teaching Assistants.
You and your students can take 1, 2, or 3 steps to make sure they bring the language skills they will need as teaching assistants:

1. A Zoom interview
2. TOEFL score check
3. Oral Proficiency Interview (mandatory)
4. Evaluates students when needed & makes advising recommendations for language support services

- I can assist evaluating all four language skills (listening, speaking, reading, writing)
- and give support recommendations
4. Evaluates students when needed & makes advising recommendations for language support services

- The sooner you communicate with me, the easier it is to set up an ESL support plan for your graduate student(s).

- Don’t wait until the 2\textsuperscript{nd} semester or even the 2\textsuperscript{nd} year. Once certain linguistic habits are fossilized (usually after a year), it is extremely difficult to reverse them.
5. Runs the International Teaching Assistant Orientation

Fall 2018 Orientation: 3-day event

- Big success!
- Liked and recommended by 100% of participants

(= 1 full day + 2 half days)

Tentative dates: Wed., Aug. 28 (all day)
Th. & Fri., Aug. 29 +30 (1/2 days)

(A ½ day will be dedicated to TAs only: Topic: First day of class!)

6. ITA Training Workshops

BUT: Workshops can’t solve critical English language issues.

- They focus mostly on International TA training

- Please keep in mind:

Some of your International Graduate Assistants will still need the language support only 3-credit hour ESL courses can provide.
C. GOALS

- Working together
Working together

3. I meet with departments to discuss department specific Graduate ESL needs and support options

In addition to the 2 campus-wide Graduate ESL Informational Meetings in April and December, I had meetings with 11 departments in fall 2018.

Please contact me if you would like to schedule a department presentation or Q & A session.
Working together

2. Increase the number of ITA workshop participants
   - The English Language Center team and I depend on your collaboration.
   - If you don’t send students to us,
   - if you don’t spread info about the workshops,
   - If you don’t make the workshop an important part of TA training,
     - ...it’s very hard for us to reach and support your graduate students.

THANK YOU for your ongoing assistance!
Working together

- To provide adequate English language, classroom, and cross-cultural support for future Teaching Assistants.
  - To increase recruitment and retention of all graduate students (Strategic Plan 2017-2022)
  - To enable students to graduate with not only a degree in their fields, but also good English skills.
THE TASSEL WAS WORTH THE HASSLE
Thank you very much.
It is a pleasure working with y’all!
