An Invitation From the

Enhanced Oil Recovery Institute

Please be our guest for lunch at noon on Thursday, February 2nd at the Casper Ramkota Hotel. The occasion is the introduction of the Enhanced Oil Recovery Institute’s Technical Advisory Board (TAB) to the Wyoming Oil & Gas Operator community.

We have reconstituted the TAB to reflect our new focus on field operations in Wyoming reservoirs rather than fundamental research, and we are excited to have these new TAB members meet our Wyoming operators.

The format of the luncheon will be a number of round tables at which at least one TAB member will be seated. Our hope is to encourage conversation about issues unique to enhanced oil recovery in Wyoming fields and to have the TAB members share their expertise, experience, and perspectives. Members of the Technical Advisory Board are listed on reverse.

For planning purposes, we ask that you let us know if you will be attending and what your lunch selection will be. Meal choices are:

- Roasted Round of Beef with Mashed Potatoes
- Stuffed Balsamic Portobello Mushroom with Sambuca sautéed spinach
- Pasta Primavera with Bow Tie Pasta

We believe we will have plenty of seats but please let us know as soon as possible and please no later than January 27. There are three ways to reserve ‘a place at the table’:

1. Visit https://goo.gl/forms/8496yH3Rmw1BREwr1 to register online

2. Email our Office Manager: Chana Conley at chanac@uwyo.edu and be sure to include:
   - Name
   - Email
   - Meal Choice

3. Call: Chana at 307-315-6447

We look forward to seeing you on Thursday, February 2nd.
New Enhanced Oil Recovery Institute Technical Advisory Board (TAB)

Brad Bauer, Petroleum Engineer, Exploitation Manager - Merit Energy Company

Mike Blincow, Petroleum Engineer, Principal - Blincow Consulting, LLC

Jeff Brown, Economist/MBA Business, Research Fellow/Lecturer in Law - Steyer-Taylor Center for Energy Policy and Finance
