Resolution in Support of University Studies Review Task Force – Stage 2 Report

Recommendations for a Revised General Education Program

WHEREAS, Academic Affairs has conducted a review of the 2003 University Studies program with two Task Force Committees (University Studies Review Task Force – Stage 1 & Stage 2) comprised of faculty, students and administrators at the University of Wyoming; and

WHEREAS, the Task Force 1 Committee reviewed the current 2003 University Studies Program and developed initial Philosophies for the next generation General Education program for Task Force 2 Committee consideration; and

WHEREAS, the Task Force 2 Committee worked with interested parties within the university community to develop, modify and finalize the Philosophy and General Guidelines for a new proposed General Education program; and

WHEREAS, the Task Force 2 Committee proposes the Philosophy and General Guidelines for a new General Education program in the final report “Recommendations for a Revised General Education Program”; and

WHEREAS, the Faculty Senate believes that the proposed General Education Program is designed to allow students more flexibility while maintaining a quality education in communication, quantitative reasoning, human culture, science, technology, engineering and mathematics, diversity, global awareness, and the U.S. and Wyoming Constitutions; therefore,

BE IT RESOLVED that the Faculty Senate:

- Accepts and supports the Philosophy and General Guidelines in the Task Force 2 Report “Recommendations for a Revised General Education Program”;

- Recommends that the following changes be incorporated into the Task Force 2 Report: language on page 16 under Human Culture and under STEM currently reading ‘Courses may not be counted toward the major’ be replaced by ‘Courses may not be from within the major department’; and

- Recommends that Academic Affairs develops an implementation plan for the proposed General Education Program, including the development and assessment procedures for Learning Objectives, in coordination with administrators, faculty and students.
