6 **A RESOLUTION IN SUPPORT OF**
7 **The University of Wyoming’s NSF ADVANCE Proposal**
8

9
10 **WHEREAS**, according to University of Wyoming Regulation 6-701, “the Faculty
11 Senate shall seek to determine and establish educational and academic policies which
12 promote and protect the interests and welfare of the University community and further the
13 full and free development and preservation of scholarly learning, teaching, and research”;
14 and
15

16 **WHEREAS**, the NSF ADVANCE program is focused on “increasing the participation
17 and advancement of women in academic science and engineering careers”; and
18

19 **WHEREAS**, Principal Investigator Snehalata Huzurbuzar and Co-Principal
20 Investigators Cynthia Weinig, Anna Zajacova, and Eva Ferre-Pikal are actively preparing a
21 NSF ADVANCE Proposal for the University of Wyoming as outlined in the attached
22 addendum; and
23

24 **WHEREAS**, addressing appropriate University of Wyoming policies, procedures, and
25 practices related to implicit bias, work-life balance, and environmental conditions for
26 advancement as outlined in the attached addendum have the potential to “promote and
27 protect the interest and welfare of the University community”; and
28

29 **WHEREAS** the NSF ADVANCE Proposal has received support from multiple faculty
30 and administrators at the University of Wyoming; therefore
31

32 **BE IT RESOLVED** that the Faculty Senate of the University of Wyoming supports
33 UW’s NSF ADVANCE Proposal as outlined in the attached addendum; and
34

35 **BE IT FURTHER RESOLVED** that the Faculty Senate of the University of Wyoming
36 consider all recommendations under its authority that result from the NSF ADVANCE
37 Proposal.
