Attached are the revisions to 13 University regulations required to move forward with the proposed reorganization of Academic Affairs.

The objectives of the reorganization include:

- More directly tying student recruitment, retention, learning and success to the work of faculty and academic administration, and significantly increasing enrollment, retention and graduation rates.
- Ensuring that the university fully embraces the 21st century instructional environment including online, hybrid, distance and outreach teaching approaches, along with strong partnerships with community colleges.
- Expanding opportunities for transformative learning experiences that extend beyond the classroom including internships, research and international experiences.
- Strengthening support for research and economic development by promoting new degree offerings and graduate and undergraduate student experiences that align with state, national and international demand for research of societal importance and graduates who are well prepared to enter the workforce.
- Improving efficiency and effectiveness of operations to include achievement of budget reduction targets for the 2017-18 fiscal years.
- Encouraging innovative and entrepreneurial approaches to funding the university’s mission.

These revisions encompass two major steps: 1) movement of a number of units from Student Affairs to Academic Affairs and 2) the elimination of the Outreach School.

The most substantial changes occur in UW Regulations 1-1 and 7-620. The changes in UW Regulation 1-1 move a number of units from Student Affairs to Academic Affairs. In addition, the Outreach School is removed from the list in 1-1. UW Regulation 7-620 defines the governance of the Outreach School, so it is eliminated entirely.
Changes to the remaining regulations involve elimination of the term “Outreach School” entirely and/or reference to “distance education as a teaching modality rather than something owned entirely by a particular unit. In addition, there are a number of “cleanup” items, such as changing the term “Vice President for Academic Affairs” to “Provost and Vice President for Academic Affairs”.

Changes to regulations in order to reinstitute a Graduate School or equivalent entity, and to elevate the Honors Program to College status, will be brought forward later in the semester. Information on proposed time line for implementation of the revised regulations and for the budget impacts are forthcoming.

Other department/units/division(s) affected by the new or revised regulation:

UW REGULATION 6–402
International Exchange and Faculty-led Course Study for Credit

I. PURPOSE

To clarify policies relating to International Exchange and Faculty-led courses taught at off-campus locations in fulfilling instructional obligations of the University.

II. GENERAL POLICY

The fundamental precept governing the University's outreach activities is that of state service. First responsibility is to provide outreach courses to meet the educational needs of Wyoming residents and students. International Exchange and Faculty-led courses may be offered to fulfill this obligation, but in such cases, there must be a direct connection between course content and the teaching site such that course content will be enhanced by the special location. International Exchange and Faculty-led courses will be equivalent in quality of instruction and content to that expected for courses offered on campus.

III. COURSE REVIEW AND APPROVAL

All International Exchange and Faculty-led courses are subject to the review and approval procedures which apply to proposals for the introduction of new courses. Academic credit will be denied for any such course which has not been so approved.

IV. ADMINISTRATIVE SERVICES

All International Exchange and Faculty-led courses shall be coordinated through the Office of Academic Affairs, the Outreach School. Procedures will follow those in effect for administering outreach credit classes.

V. OTHER APPROVALS REQUIRED

Travel arrangements and any brochure copy which relates to student and University responsibilities are subject to approval by the Director of International Programs, Provost and Vice President for Academic Affairs or his/her designee. Contracts and statements of the University's liability are subject to approval by the Office of General Counsel.

II. THE UNIVERSITY FACULTY SENATE

A. The Faculty Senate is established by Bylaws of the University Faculty and vested, subject to limitations contained therein, with the powers conferred upon the University Faculty by the Board of Trustees.

B. Pursuant to such Bylaws of the University Faculty, the Faculty Senate shall seek to determine and establish educational and academic policies which promote and protect the interests and welfare of the University community and further the full and free development and preservation of scholarly learning, teaching, and research.

III. MEMBERSHIP

The membership of the Faculty Senate is to be determined in accordance with the Bylaws of the University Faculty.

IV. OFFICERS

The officers of the Faculty Senate shall be selected from the elected faculty senators and shall consist of the following: (a) Chair, (b) Chair-Elect, and (c) Secretary. The incoming officers shall take office effective with the May Board of Trustees meeting, and their voting privileges shall be as described below. (In the following paragraphs, the term "Executive Committee" refers to the Executive Committee described in Section 9 of this Regulation.)

Chair. If the chair's term as a faculty senator expires during the chair's term as chair, the chair's Faculty Senate term shall be extended to last for the remainder of the chair's term as chair. While serving as chair, the chair of the Faculty Senate shall not vote on matters decided by vote of the Executive Committee or on matters decided by vote of the Faculty Senate, unless the chair's vote is necessary to break a tie.

Chair-Elect. After being elected and taking office as chair-elect, the chair-elect shall serve for one year; the chair-elect shall then become chair of the Faculty Senate for the following year. While serving as chair-elect, the chair-elect shall be entitled to vote on matters decided by vote of the Executive Committee and matters decided by vote of the Faculty Senate. If the Faculty Senate term of the chair-elect expires before or during his/her term as chair-elect, the Faculty Senate term of the chair-elect shall be extended to last until the chair-elect has become chair and completed his/her term as chair.
Secretary. If the secretary's Faculty Senate term does not expire while he/she is serving as secretary, the secretary shall be entitled during his/her term as secretary to vote on matters decided by vote of the Executive Committee and matters decided by vote of the Faculty Senate. If the secretary's Faculty Senate term expires before or during his/her term as secretary, the secretary for the remainder of his/her term as secretary shall remain a voting member of the Executive Committee, and shall attend Faculty Senate meetings but shall not vote on matters decided by vote of the Faculty Senate unless re-elected to a new term as a faculty senator by his/her academic unit.

A. The Chair shall preside at meetings of the Faculty Senate and of its Executive Committee.

B. The Chair-Elect shall preside at meetings of the Faculty Senate and of its Executive Committee in the event of the absence of the Chair, or at his/her request, and shall take on such other Senate tasks as requested by the Chair.

C. The Secretary shall record the roll call, proceedings and votes upon bills of the Faculty Senate, and shall receive and keep all communications and reports to and from the Faculty Senate.

VI. ELECTION PROCEDURES

The Chair-Elect shall be responsible for soliciting nominations of at least two candidates for each of the offices to be filled. If the Chair-Elect is unable after good faith effort to identify at least two candidates for each office to be filled, the Senate may proceed with an election for any office for which there is only one candidate nominated. The Chair-Elect shall send a report of these nominations to the Faculty Senate Coordinator who shall cause the names of the nominees to be published at least one week prior to the Senate meeting preceding the election meeting. Additional nominations of officers may be made from the floor at that meeting. All nominations, both from the nominating committee and from the floor, shall be accompanied by a written statement from the candidate regarding background, Senate and University contributions, and goals for the position sought. Such statements should be distributed at the time the candidate is nominated or within one week. At the nominating meeting, candidates for all offices will be introduced and, if time permits, given a chance to speak to the nomination. If an officer is filling the unexpired term of a previous officer, the officer’s service during that partial term does not count toward the two-term limit. The Faculty Senate may declare an office to be vacant whenever an officer is unable, except temporarily, to carry out the duties of his/her office. A vacancy shall be filled for the period to complete the term by special election.

**VIII. EXECUTIVE COMMITTEE**

A. The Executive Committee shall consist of the following: The Chair, the Chair-Elect, the immediate Past-Chair, the Secretary of the Faculty Senate, and four members-at-large who shall be elected from the voting membership of the Faculty Senate for staggered two-year terms. XXIII. DISPOSITION OF APPROVED BILLS

All bills passed by the Faculty Senate shall be authenticated by the Secretary and transmitted to the President of the University of Wyoming for review in accordance with UW Regulations unless review provisions have been initiated by the University Faculty. Upon approval on review, such bills shall become effective for the purposes stated therein, and shall be distributed in such manner as directed by the President of the University.

B. A disapproved bill may be returned to the Faculty Senate by the President of the University for reconsideration with regard to specific matters stated by the President. In such event, the bill shall be considered as a newly introduced bill.

All disapproved or altered bills will be published in the agenda under announcements for one meeting and reconsideration will occur as unfinished business.

D. If the Senate repasses a bill returned by the President by a three-fourths vote of the members present and voting, the President shall refer the proposed bill to the Trustees, at their next regularly scheduled meeting, for final approval, disapproval or other disposition. XXIX. BYLAW AMENDMENTS

The Bylaws may be amended by the vote of two-thirds of the members present and voting, provided that the amendment has been proposed by a committee of the Faculty Senate and has been circulated to the members of the Faculty Senate at least one week prior to the meeting at which action on the proposed amendment is to be taken.

B. Academic Planning Committee
C. Budget Planning Committee
D. Committee on Committees
E. Executive Committee
F. Faculty Academic Standards, Rights and Responsibilities Committee
G. Faculty Development Committee
H. Graduate Council
I. Reappointment, Tenure and Promotion Committee

III. GENERAL CHARGE TO COMMITTEES OF THE FACULTY OF THE UNIVERSITY OF WYOMING

Bylaws of the University Faculty, UW Regulation 6-700, Article IV, Section 1, states "All committees of the University Faculty shall be responsible to the Faculty Senate, and it shall establish or dissolve committees as it deems necessary."
A. **Goals of the Committee Structure**

The system of standing committees of the Faculty Senate of the University of Wyoming is intended to:

1. Be broad enough to encompass all areas of University activity in which faculty are involved on a policy-making level requiring the endorsement of the Faculty Senate, in accordance with UW Regulation 6-700;

2. Be specific enough to consider the problems, grievances, or concerns of each faculty member of the University community;

3. Be advisory to the University administration only in those matters requiring Faculty Senate approval of proposed action; and

4. Provide an effective and efficient legislative committee system to work for the Faculty Senate through the Executive Committee.

B. **General Committee Functions**

The primary function of committees of the faculty shall be to consider bills or proposals submitted to the Senate and assigned to their areas of responsibility. Committees shall be expected, in a reasonable time, to return appropriate recommendations to the Senate for action. Committees shall also initiate and draft bills establishing faculty regulations or recommendations as needs arise in their areas of responsibility. Committee Chairs or their designees shall introduce such bills to the Senate for adoption or other action.

C. **Individual Committee Responsibilities**

The duties of each committee are individually detailed, and incorporated as a faculty regulation. However, the intention of this committee system is to provide a dynamic, timely, and effective aid to the progress of the University. For this reason, each committee is charged with the responsibility for continual review of its delegated duties. If changes of a committee's duties, composition, or existence are deemed advisable, the committee shall make such recommendations to the Faculty Senate through the Committee on Committees.

D. **Sub-committee Structure**

The responsibilities of most faculty committees are intentionally broad in order to prevent duplication of effort and conflicting recommendations. Therefore, it may well be advisable for certain committees to establish sub-committees from their own membership to perform more specialized
functions or to handle particular issues within the overall responsibility of the committee. The establishment and dissolution of such sub-committees shall be left entirely to the discretion of the committee concerned.

E. Meeting and Reporting

A committee shall generally communicate whenever its responsibilities require that it should, whenever directed to do so by the Faculty Senate, and in during the fall and spring semesters. Reports shall be made to the Faculty Senate at such times as to keep the Senate well informed of committee activity, on call of the Executive Committee of the Faculty Senate, and no less than once per year.

F. Commencement of Service

Committee assignments shall be effective with the beginning of the fall semester unless the assignment is otherwise stated. The Senate shall select committee members to fill known vacancies prior to the end of each spring semester. Committee members may succeed themselves on a particular committee (once) with the exception of the Reappointment, Tenure and Promotion Committee. Following the selection of committee members by the Faculty Senate, the Faculty Senate Coordinator shall notify the individual of selection, provide a written copy of the committee charge, and provide the name of the current committee Chair. The committee Chair shall receive notification of the election of new members.

G. Election of Officers

By April 15th, each committee shall elect a Chair and such other officers as it deems necessary, to begin service at the start of the fall semester. Each committee shall forward the names of these officers to the Committee on Committees and the Executive Committee. Students shall not be eligible to chair Faculty Senate committees. In the event a committee is left without a Chair, the Committee on Committees’ Chair will call the first meeting to elect the Chair.

H. Alternate and Permanent Replacement Committee Members

When a committee member is to be absent from one or more committee meetings and the Chair and/or the committee deems the presence of a temporary replacement to be desirable, the Chair shall select an alternate committee member after consulting the rest of the committee and forward this person's name to the Chair of the Committee on Committees. In the event a permanent replacement is deemed necessary, the Chair of the affected committee shall notify the Committee on Committees and the replacement shall be appointed in the same manner as the original appointment. The
replacement shall be appointed to complete the term of the original appointment.

I. Absenteeism and Notice of Removal

In the event that a committee member has failed to attend three consecutive committee meetings, and the committee Chair has determined that such absences have been detrimental to the committee's function, the committee Chair shall petition to the Committee on Committees to recommend to the Executive Committee of the Faculty Senate removal of the non-attending committee member. Upon removal for non-attendance, the vacancy shall be filled in the same manner as the original appointment was made. All permanent committee replacements must be approved by the Faculty Senate. A copy of the petition for removal shall be sent to the offending committee member, and he/she shall have ten days from the date of the petition in which to challenge in writing before the Committee on Committees the committee Chair's determination that he/she has had continuous absenteeism as defined herein. Thereafter, he/she shall be deemed to have waived his/her right to challenge the petition and may be removed.

J. Ex officio

The words "ex officio" shall be interpreted as "ex officio without vote" throughout UW Regulations 6-701, 6-702, 6-703, unless otherwise stated.

K. Expert Consultation

Committees may seek consultation of experts from within or outside of UW as required.

L. Associated Students of the University of Wyoming (ASUW)

The ASUW representatives on faculty committees shall be appointed by the ASUW Senate but shall not be required to be ASUW Senate members.

IV. ACADEMIC INFORMATION TECHNOLOGY COMMITTEE

A. Rationale

The committee is established to coordinate and to exchange information regarding academic information technology services for the University.

B. Functions

The committee shall aid in the establishment of policies for academic
information technology services and usage at the University. It shall provide advice in regard to needed information technology capabilities and services for academic purposes, and in this regard to the long range goals of the University. The committee shall endeavor to serve as a channel for communication among the various academic users and providers of academic information technologies.

C. Powers

The committee shall serve in an advisory capacity to the President, appropriate vice presidents, deans, or directors on matters pertaining to needed information technology capabilities and services for academic purposes. All committee actions shall be reported to the Faculty Senate regularly.

D. Composition

The committee shall consist of 12 voting members. Each of the seven colleges (two from Arts and Sciences), the Libraries, the American Heritage Center, the Outreach School, and ASUW will be given the opportunity to be represented.
