7 8 9 10 11 12	RESOLUTION FOR TRANSPARENCY IN SELECTING A NEW PRESIDENT FOR THE UNIVERSITY OF WYOMING
13 14	WHEREAS, under UW Regulation 701 the Faculty Senate is charged with promoting and protecting the interests and welfare of the University community; and
15 16 17 18	WHEREAS, shared governance is a collaborative decision-making process between faculty, the administration and Trustees; and
19 20 21	WHEREAS , the process for selecting a new president for the University of Wyoming is secretive; and
22 23 24	WHEREAS , the process limits interaction between the University community and shortlisted finalists; and
25 26 27 28 29	WHEREAS, the process does not meet American Association of University Professors' standards for selecting a university president, particularly the emphasis on public visits during the finalist stage so that faculty can provide input to universities' governing boards on strengths and weaknesses of candidates, such as their institutional fit; now therefore,
30	BE IT RESOLVED that the Faculty Senate:
31 32 33 34	 Recommends that finalists' names be made public before any final selection of president is made by the Trustees;
35 36	 Recommends that each shortlisted finalist meets with the faculty senate body;
37 38	 Recommends that each finalist makes a public presentation to the University community of their vision for the institution under their leadership.
