GEAR UP Wyoming Professional Development Mini Grant Application

Gaining Early Awareness and Readiness for Undergraduate Programs (GEAR UP) is a federally funded statewide grant in Wyoming that provides college access and success services to 2,000 income-eligible secondary school students and college freshmen.

We know that a huge part of investing in our participants involves investing in their educators. To this end, GEAR UP Wyoming works to deliver and support quality professional development (PD) initiatives to help educators across the state foster the success of GEAR UP participants.

Starting in 2022, GEAR UP Wyoming is offering mini grants to partner schools and their districts to fund PD trainers and presenters, keynote speakers, books and other supplies to supplement a PD event, etc.
