Education

Our members and volunteers support students in nearly 12,000 public, private, and charter schools across the country. Through our work we increase civic and community engagement, increase high-school graduation rates and expand college enrollment.

[Fact sheet](#) >

Economic opportunity

Our programs serve as a pathway to employment opportunities and help develop vital work skills. We build and rehabilitate affordable housing, provide financial literacy training, and connect people to jobs.

[Fact sheet](#) >

Disaster response

When disaster strikes, we repair homes, assist survivors, and help restore communities when it matters most. We have deployed thousands of members and volunteers to areas affected by hurricanes, wildfires, floods, and tornadoes.

[COVID-19 fact sheet](#) >

Environmental stewardship

We serve on projects that cover thousands of acres of public lands across America – including many with the National Park Service. We help conserve natural habitats, protect clean air and water, and reduce utility bills by improving home energy efficiency.

Healthy futures

We provide independent living services to 365,000 elderly Americans. We also build the capacity of food banks, combat the opioid crisis, tackle homelessness, and address food insecurity.

[Opioid fact sheet](#) >

Veterans & military families

We provide assistance to nearly 500,000 veterans and military families by connecting them to education opportunities, jobs, and the benefits they have earned. Many veterans also volunteer with us so they can continue to serve their country.

INTERNSHIP RESOURCES

An internship is not only a great experience; it's also a great way to jump-start your career. The opportunities are out there - it's just a process to find them. Below are a few internet sites that are useful in identifying potential internships. Other sources include departmental websites and going directly to employer homepages. It is also helpful to attend all on-campus Job Fairs to meet employers who may be seeking interns. To find out more about internships and how to get started searching, browse our [Internship Information Page](#).

Find out about on-campus job fairs and networking events:
