

**Governor's Task Force on Forests  
Meeting 2  
March 19-21, 2014  
Fremont County Public Library,  
200 Amoretti Street, Lander, WY  
Agenda**

**Issues to be addressed at this meeting:**

1. Wildfires are becoming larger and more difficult to suppress, in areas where it is appropriate to suppress.
2. Fire management within WUI has become more complex.
3. Lack of appropriate funding allocation for fire suppression is impacting our ability to manage all of our forested lands.
4. Need to address budget funding and allocation.
5. Lack of funding to deal with invasive species including after forest disturbances.
19. Need to improve responsiveness to and management of invasive species.
23. There is a need to manage for resiliency of ecosystem processes.
28. Lack of understanding regarding the ecological effects of disturbance and natural processes.
31. The need to assess and mitigate the impacts of trails, roads and other infrastructure on forest resources.
