

Grey's River Forest Collaborative

12 April 2018, Afton Civic Center

Workshop 7 Objectives

- Discuss Collaboration process and associated Charter
- Follow-up on discussion re. Outreach to find funding sources: what has been achieved so far, what more needs to be done, by whom?
- Joint Chiefs Application to address noxious weeds, road maintenance and forest treatments: go through criteria and existing draft.
- Good neighbor agreement with the State: what needs to be done?
- USFS: what projects have been NEPA'd?
- Update re. Greys River slide.
- Determine Next Steps.
