- Presentation on the collaborative process. Available on website. (Jessica Western)

Discovery and review of interests

- Discussion around: “Why is forest health important to you in Sublette County?”

Discussion of scope and priorities of collaborative

- The group is open to tackling any and all issues regarding forests within Sublette County
- Likely start with Union Pass and Hoback Ranches, per the collaborative’s funding grant

Discovery and review of issues

- Discussion around: “What are the issues surrounding forest health in Sublette County?”

History of this collaborative

- Governor’s Task Force on Forests – made funds available to support collaboratives
- County - applied for governor’s grant
- Cadre – formed a list of stakeholders
- Present day - collaborative with steering committee

Review of draft process and timeline

- Hold on to 10 meetings but aim for fewer, no meetings July to October, meet 9-3 at fire department

Public comment

- None
