Intern with the Division of Student Affairs and the Office of Diversity Equity and Inclusion

This internship would allow for the selected intern to work across and between the Division of Student Affairs and the Office of Diversity Equity and Inclusion, which promises a meaningful experience working on relevant and impactful projects.

DIVISION OF STUDENT AFFAIRS
Mission:
To promote student success through engagement, holistic wellness, and providing excellent student-centered services and to advance the student success agenda of the University of Wyoming.
To advance the student success agenda, we will:
- Provide safe, comfortable, affordable, and physically and programmatically appealing housing and dining programs to students living on campus;
- Provide integrated wellness service to address physical and behavioral health;
- Educate students; encourage personal accountability for their choices and actions; refer students to appropriate resource on and off-campus;
- Engage students in leadership opportunities; social justice activities; provide educational, social, and entertaining programs and events;
- Foster opportunities for students to provide feedback to the university and participate in shared governance;
- Provide alumni and parents opportunities to be active in the UW Community.

OFFICE OF DIVERSITY, EQUITY, AND INCLUSION
ODEI Mission Statement
The mission of the Office of Diversity, Equity, and Inclusion is to promote inclusive excellence through:
- Providing educational opportunities and diversity workshops that raise awareness, knowledge, and skills
- Supporting the recruitment and retention of diverse students, faculty, and staff
- Facilitating an inclusive campus community that promotes student success through partnerships and collaborations within and around the university community
- Solidifying the University of Wyoming’s commitment to valuing and expanding a welcoming, diverse, inclusive and equitable environment that builds a better university, state, nation, and world

Internship Qualifications:
- Interests in student services/engagement
- Desire to work/connect with various campus constituencies
- Advocacy
- Growth mindset
- Innate flexibility

Application:
To apply, please complete the online application by September 12, 2022. Please note that you will need to login using your UW credentials.
