

## How to Join a Restricted Group

The WyoGroups home page and group index can be found at <http://wyogroups.uwyo.edu>. You will need to enter your UW username and password on the login screen if you are not already logged in.

If you know the name of the group you would like to join, click on the letter that begins the group's name.

The screenshot shows the WyoGroups website interface. On the left is a vertical navigation menu with the following items: WyoGroups (highlighted), Home, Training, How To Join A Group, Request A Group, and Request Additional Group Leaders. The main content area has a header with 'WyoGroups' and a sub-header 'Last edited by Steve Bargdill Admin 3 months ago'. Below this is a banner for 'UNIVERSITY OF WYOMING WYOGROUPS' featuring a hot air balloon logo. At the bottom of the banner is a search bar with a grid of letters A-Z and a link that says 'click here to search by keyword'.

If you are attempting to join a group that is restricted, an email of who you need to contact to gain permission should be listed in the group index.
