MISSION, GOALS, OBJECTIVES AND ACTIONS STATEMENT
UNIVERSITY OF WYOMING INTERNATIONAL BOARD OF ADVISORS
September 2006

MISSION
Building International Competency at UW and in Wyoming

GOALS AND OBJECTIVES

The University of Wyoming International Board of Advisors is an extramural organization that seeks to

GOAL 1: Foster student, faculty, and staff participation in international activities at home and abroad.

Objective 1: Raise funds for UW’s international programs, scholarships, study abroad, internships, awards, and honors.

Member Actions: Direct gifts; liaison with potential donors; public speaking; lobbying; liaison with school boards and school administrators

Objective 2: Promote foreign language proficiency and a diverse offering of foreign languages in Wyoming’s schools (K-12), colleges, and university.

Member Actions: Public speaking; arrangement of public forums for UW Speakers; lobby for K-6 language initiative locally; lobby for K-16 language articulation

GOAL 2: Inform Wyoming citizens about the importance of fully participating in the world community and economy by:

Objective 1: Working with Wyoming businesses and organizations in support of international initiatives.

Member Actions: Public speaking; arrangement of public forums for UW speakers

GOAL 3: Advise and assist UW’s International Programs Office

Objective 1: Elevate the profile of international education within the university community and in the state.

Member Actions: attend meetings regularly; generate ideas; define tasks to accomplish goals; volunteer for subcommittees; lobby on and off campus in support of international education
