F-1/J-1 Student Extension of Program

International students are admitted to UW and are given an *estimated* length of time necessary to complete the degree for which they have been admitted. There are often valid reasons that a student is unable to finish a degree by the completion date noted on the I-20/DS-2019. If this is the case, the student is required to apply for a program extension through the International Students & Scholars office.

ELIGIBILITY REQUIREMENTS FOR PROGRAM EXTENSION

- Have “continually maintained status” per USCIS and UW regulations.
- Delay in completion is “caused by compelling academic or medical reasons, such as changes of major or research topics, unexpected research problems, or documented illnesses”.

HOW TO APPLY FOR AN EXTENSION

- Submit completed extension request form to ISS **before** the program end date. I-20/DS-2019s cannot be extended after the program end date and the student will be considered out of status with USCIS.

Student will be notified when the new I-20/DS-2019 has been issued. Student should keep all previously issued I-20s or DS-2019s for their permanent record!
