WebAssign: Is an online homework site. There will be a new assignment roughly weekly. You get unlimited tries (until the assignment is due) to attempt a problem. If you get stuck, either ask or e-mail me but please try the problem a few times before asking. The problems can be found at www.webassign.net and our class key is uwyo-2771-7476.

Homework: There will be approximately 10 problems of written hw per week. The hw sets may be found on my website listed above.

Exam Schedule:
Exam 1 – Thursday, Feb 6, 5:15 – 7:00 pm;
Exam 2 – Thursday, Mar 6, 5:15 – 7:00 pm;
Exam 3 – Thursday, Apr 10, 5:15 – 7:00 pm;

Course Conduct:
As stipulated in the UW code of conduct, you are expected to avoid any behavior that is disruptive to the class (cell phones, paying more attention to what’s going on three rows back than what’s going on in class, etc). If you are disruptive, your instructor may ask you to leave the classroom. In such an eventuality, you will be allowed to return only with the permission of the instructor. **Specifically, cell phones have no place in the classroom. If you are seen texting or paying more attention to your phone than what is going on in class, you will be asked to put it away.**

Academic Honesty:
The University of Wyoming is built upon a strong foundation of integrity, respect and trust. All members of the university community have a responsibility to be honest and the right to expect honesty from others. Any form of academic dishonesty is unacceptable to our community and will not be tolerated. Teachers and students should report suspected violations of standards of academic honesty to the instructor, department head, or dean. Other University regulations can be found at: [http://uwadmnweb.uwyo.edu/legal/universityregulations.htm](http://uwadmnweb.uwyo.edu/legal/universityregulations.htm)
