Math 1405 – Spring 2012

Class Materials:
Trigonometry, 8th ed. by Larson and Hostetler
A graphing calculator for use in class and on exams. If you do not have one, you can from the Math Dept for $10.

Course Supervisor:
Jon Prewett (313 Ross Hall, jprewett@uwyo.edu, 766-4014) is the course coordinator. Direct any questions or comments to Mr. Prewett in a TIMELY manner.

Prerequisites:
• The prerequisite for M1405 is either a placement level IV, an ACT math score of 25 or greater, a C or better in Math 1400, or a previous grade of D or better in Math 1405.
• You must earn a C or better in Math 1405 to continue on to Math 2200.

USP:
This course fulfills the Quantitative Reasoning I (QA I) requirement of the University Studies Program. QA I courses develop a student’s numerical, logical, algorithmic, and critical thinking skills as well as their ability to integrate these ways of thinking with verbal, written, and creative thinking skills. Students will demonstrate mathematical and logical skills needed to formulate, analyze and interpret quantitative arguments in a variety of ways.

Testing and Grading:
• The three semester exams count for 45% of your grade, homework and quizzes count for 30%, and the final exam is cumulative and is worth 25%. Your final grade is determined on a scale common to all sections of M1405.
