### **PETE Newsletter**

Greetings DKH PETE Alumni,

At the UW graduation ceremonies Saturday, May 18 we celebrated 11 PETE undergraduates (see list below) completing the B.S. degree. They were on campus Friday, May 17 to present their final Teacher Work Sample Projects. Congratulations on reaching this first goal. In regard to the next step, three of the grads have attained teaching positions for the 2019-2020 academic year.

It's always good to hear how you are doing. Sometimes I hear about y'all in interesting ways. For example, my sister who lives in Sheridan keeps me informed as to the great work Jon Kirlen is doing building the ski program up north. He is instrumental in assisting the community group to move Antelope Butte forward and building a clientele by bringing skiing to the elementary schools. Well done, Jon.

Our current PETE students from Douglas inform me that Lee Toldson has moved to a teaching and coaching position somewhere in Idaho while Chase Plumb has moved from teaching elementary PE to high school PE in Douglas. Thank goodness for the grapevine, otherwise I wouldn't know even this little bit of information (do you remember my sarcasm, Lee and Chase).

All is well with the PETE department in DKH. Mark, Tristan, and I are holding down the fort and attempting to maintain a quality PETE program. We do this work along with the numerous dedicated professionals in the field who work with our pre-service teachers in Laramie and our student teachers across the state. It takes a village to raise a child, and it takes a state to produce a quality PE teacher. We are grateful to you all.

Have a wonderful end to the school year and a terrific summer.

Sincerely,  
Jayne Jenkins, Ph.D.

## News from Corbett

### Undergraduates

Completing student teaching in PETE this spring were 11 undergraduates. Of the 21 cooperating teachers, 16 were alumni of the UW PETE program.

Eighteen (18) undergraduates have applied to the PETE program in hopes of beginning Teaching Laboratory 1 fall semester 2019. Spring 2019 a total of 13 undergrads completed Teaching Lab 2 and will move on to Teaching Lab 3 fall semester. They will student teach spring 2020 in Sheridan, Powell, and Cheyenne.

### Graduate Students:

Updates on our graduate students:

- **Charli Youngberg Fluty** (Class of 2009) was accepted into and started the graduate program coursework spring 2019 through outreach. Dr. Jayne Jenkins is her mentor.

- **Molly Varney Zeller** (Class of 2014) continues her course work via distance education. Dr. Jayne Jenkins is her mentor. She is targeting completion summer 2019
- **Jennifer Bockman Wilkinson** (Class of 2012) has completed most of her coursework. She is targeting completion spring 2020. Dr. Jayne Jenkins is her mentor.
- **Johnathan Brady** (class of 2018) Dr. Mark Byra is his mentor. He is targeting completion spring 2020.
- **Martin Vasquez** (class of 2018) Dr. Tristan Wallhead is his mentor. He is targeting completion spring 2020.

Alumni News

It's always great fun to hear from you. Please keep me posted on what is happening in your personal and professional lives. That's the only way I can keep these newsletters informative for your peers. Some of you have agreed to let me copy and paste your updated news directly into the newsletter. Your classmates enjoy reading the blurbs as much as I enjoy receiving them. Also, check the directory (when I send it) to assure that your contact information is up to date. And if you know of a classmate's contact information that I don't have or my info is outdated, please let me know about that as well.

### Professional & Personal Update

The personal and professional news is now one. Some folks just sent news. What fun! Often I simply copied the info from their messages. Lots of new jobs, new marriages, and new babies. Congratulations all.

<b>Class of 2019</b>	
Katie James	Will teach PE in Rock Springs starting fall 2019. She will be at Black Butte High School as well as at an elementary school TBD
