

Welcome

We are excited to begin the academic year! This monthly newsletter will be one of the many ways we'll be in touch with you all throughout the year, to provide important information, updates, and opportunities.

Ashli Tomisich, Director of Career Services, is currently enjoying leave time with her new bundle of joy - a beautiful and healthy baby boy! She'll return in October, but feel free to reach out to Michell Anderson, Student Services Coordinator, with any questions you may have (manders2@uwyo.edu). You can also schedule appointments/mock interviews with Michell through the POKES platform.

"What if 2020 isn't cancelled?

*What if 2020 is the year we've been waiting for?
A year so uncomfortable, so painful, so scary, so raw — that it finally forces us to grow.*

A year that screams so loud, finally awakening us from our ignorant slumber.

A year we finally accept the need for change.

Declare change. Work for change. Become the change. A year we finally band together, instead of pushing each other further apart.

*2020 isn't cancelled, but rather
the most important year of them all."*

- Leslie Dwight

Fall OCI at UW

The On Campus Interview (OCI) program provides employers the opportunity to interview current University of Wyoming College of Law students for immediate, summer, and postgraduate positions. For Fall 2020, OCI will run from September 2nd through the 16th.

All OCI postings are listed in this newsletter! If any additional employers sign up, we will email you with that updated information.

Be sure you are paying attention to application deadlines, and submitting your updated materials.

We have received a lot of feedback from students that OCI was tremendously valuable in preparing their materials, practicing interviews and learning this process. Even if you do not land a position, these learning opportunities still have value. Apply for everything and take advantage of having employers come to you!
