The University of Wyoming College of Law & The Rocky Mountain Mineral Foundation Present

AN INTRODUCTION TO: WILDLIFE LAW AND DEVELOPMENT IN THE U.S. AND CANADA

NOVEMBER 1, 2018

A Video-Linked Workshop & Networking Event

3:00 - 4:00 PM SIMULCAST PRESENTATION | 4:00 - 5:00 PM NETWORKING RECEPTION

Registration Fee $45
(Price goes up to $60 after October 16th)

Worth 1 Hour of CLE Credit with the Wyoming State Bar Association

This 60-minute video-linked CLE program, accompanied by a one-hour hosted networking event, will introduce lawyers and other natural resource professionals to the basics of federal wildlife protection laws in the U.S. and Canada. Learn about current issues (such as climate change under wildlife laws), criminal and civil liability, and project permitting.

Using the grizzly bear, our speakers will offer a comparative case study on the implementation and practical effects of each country's wildlife laws on development projects. Join us for this great opportunity to meet and network, all without extensive time and travel.

Refreshments Provided by the College of Law
