It is the policy of UW College of Law to promote an environment of open discourse that welcomes all views. College of Law Students, Student Organizations, Faculty and Staff are free to express opinions publicly and privately. The expression of a diverse range of views is welcome and encouraged. This freedom should be exercised in a manner which does not disrupt the regular and essential operations of the College of Law or UW. Use of College of Law facilities, advertising through College of Law channels, or College of Law sponsorship does not imply approval or endorsement of any views expressed.
