RECIPROCITY POLICY

The University of Wyoming College of Law recognizes the crucial need for academic institutions to work together providing opportunities to the students and graduates of law. The Career Services Office will gladly extend access to students and alumni of other institutions given the following understanding:

- 1) Services are available to students or graduates whose law schools grant reciprocal privileges to students or graduates of the University of Wyoming College of Law.
- 2) Requests for reciprocity should be made in writing, preferably by email to the Director at aparks1@uwyo.edu, by the individual's Career Services Office, certifying that said individual is a student/graduate of the law school and further agrees to offer reciprocity to students/graduates of the University of Wyoming College of Law.

SERVICES AVAILABLE UNDER A RECIPROCITY GRANT:

- Access to the career services library and bulletin board job postings located at the UW College of Law.
- E-mail updates of new job postings when they become available.

SERVICES NOT AVAILABLE UNDER A RECIPROCITY GRANT:

- Job fairs and on-campus interviewing.
