LARAMIE
The Gem City of Wyoming

Nestled between two mountain ranges at 7,200 feet, this 1860s town is home to nearly 32,000 residents, a number of world-class museums, and countless one-of-a-kind shops and restaurants. A dozen vibrant murals by local artists bring the historic Laramie downtown to life, while the rumble of trains reminds this Western town of its roots. Whether you’re heading to fish the Laramie River or lakes of the Snowy Range Mountains, or hiking the nearby 2.9 million acres of nearby national forest, epic adventure awaits in all directions. The city of Denver is less than two and a half hours away.
