Music Scholarships

The Department of Music administers an excellent scholarship program. Numerous awards are available to qualified students. Generally, scholarships are granted to applicants who intend to major in Music or Music Education. However, some scholarships are also available to students who plan to major in an area other than music. All interested students are encouraged to apply.

Scholarships are awarded based on the following considerations:

- Unconditional admittance to the University of Wyoming
- Ability (current level of accomplishment and potential)
- Major
- Music Department and Ensemble needs
- Collegiality and academic integrity
