\*Programs Split Between Annotated Departments or Colleges

\*\*Prior to 2008, there was no consistent way to identify professional development students, whose credits cannot be used towards a degree. Per federal guidelines, such students will no longer be included in federal student headcounts or national publications. UW totals will continue to include all students.

Double indented programs are subcategories of other degrees or are not listed on the Master List of Degrees.

(E: date) - Date program was eliminated.
