

University of Wyoming School of Pharmacy Presenters

| Presenter | | Presentation/Poster Title | Day | Time |
|---|--------------------------------------|--|-------|---------------|
| Michelle Hilaire | Faculty | Presentation: Stepping into Academia: Finding the Right Fit | Dec 4 | 10:30-12pm |
| Julia Chisholm | Alumni | Presentation: (Management Case study) Standardizing Systemwide Primary national Drug Code for Improved Inventory Management and Cost Savings | Dec 4 | 11:00-11:30am |
| Linda Martin | Alumni, Faculty (Professor emeritus) | Networking Session: Clinical Leadership | Dec 4 | 12:30-1:30pm |
| Jeremy Vandiver | Faculty | Networking Session: Anticoagulation | Dec 4 | 2:30-3:30pm |
| Catherine Scalley, Shawn Dalton, David Dixon, Cedar Koetting | Alumni | Poster: Evaluation of naloxone use and expansion of an overdose education and naloxone distribution (OEND) program in a rural Veterans Affairs (VA) healthcare system | Dec 4 | 3:45-5:15pm |
| Shawn Dalton, Cedar Koetting, Timothy Schick, Patricia Taylor | Alumni | Poster: Evaluation of empirical treatment for outpatient community-acquired pneumonia (CAP) at a Veterans Affairs healthcare system: a resident-driven quality improvement project | Dec 4 | 3:45-5:15pm |
| Pace Owens | Alumni, PGY1 Resident | Poster: Assessment of primary care access and blood pressure control in a pharmacist managed hypertension clinic: A rural Veterans Affairs quality improvement project | Dec 4 | 3:45-5:15pm |
| Leah Arnbrecht | Alumni | Pharmacist led benzodiazepine taper clinic: Impact on benzodiazepine use in primary care | Dec 4 | 3:45-5:15pm |
| Roxanne Finn | Alumni | Pharmacist led new transition clinic: Pilot program in primary care | Dec 4 | 3:45-5:15pm |
| Jaime Hornecker | Alumni, Faculty | Presentation: A Practical Approach to Obesity Management: Weighing the Options | Dec 4 | 4:15-5:15pm |
| Michelle Hilaire | Faculty | Presentation: A Practical Approach to Obesity Management: Weighing the Options | Dec 4 | 4:15-5:15pm |
| Jessica Papke | Student-P4 | Poster: Pharmacist involvement in the Accountable Care Units on the general medicine floors at a community hospital | Dec 5 | 10:45-11:45am |
| Lyndie Gore | Student-P4 | Poster: School of pharmacy faculty members' perceptions of students' knowledge of medical | Dec 5 | 10:45-11:45am |
| Samantha Holmes | Student, P4 | Poster: Accuracy of documentation and monitoring of oral chemotherapy in a small community cancer center | Dec 5 | 10:45-11:45am |
| Heather Dickson | Student, P4 | Poster: Assessment of testosterone replacement therapy monitoring within the Cheyenne veterans affairs medical center | Dec 5 | 10:45-11:45am |
| Jaime Cantu | Student, P4 | Baclofen and duloxetine in the treatment of acute methamphetamine withdrawal, chronic methamphetamine dependence, and chronic low-back-pain with radiculopathy: A case report | Dec 5 | 10:45-11:45am |
| Linzi Barton | Student, P4 | Poster: Effect of twice-daily vs. once-daily dosing on hemoglobin A1c with long-acting basal insulin glargine U100 | Dec 5 | 10:45-11:45am |
| Jeremy Vandiver | Faculty | Presentation: Debate in Therapeutics 2016: Heparin Monitoring | Dec 5 | 2-4pm |
| Jaime Hornecker | Alumni, Faculty | Poster: Pharmacotherapy clinic implementation in a health-care-for-the-homeless clinic | Dec 5 | 2:30-4:00pm |
| Julia Chisholm | Alumni | Poster: Data analysis to optimize primary national drug code at nine university healthcare ambulatory pharmacy locations for improved inventory management and cost savings | Dec 5 | 2:30-4pm |

University of Wyoming School of Pharmacy Presenters

| | | | | |
|---------------------------|--------------------------------------|--|-------|---------------|
| Michelle Hilaire | Faculty | Presentation: Interprofessional Education: Preparing Students for Team-based Care | Dec 5 | 2-3:30pm |
| Michelle Hilaire | Faculty | Presentation: Welcome to Your Future: Credentialing and Privileging Process for Pharmacists | Dec 6 | 8-9:30am |
| Linda Martin | Alumni, Faculty (Professor emeritus) | AWARD: Distinguished Service Award to the Section of Clinical Specialists and Scientists | Dec 6 | 12:30pm |
| Kate Perica | Alumni | Poster: Implementation of a novel resident-led pharmacy transitions-of-care service | Dec 6 | 2:30-4pm |
| Kate Perica | Alumni | Poster: Influencing patient and provider safety and satisfaction through inclusion of an indication on new prescriptions | Dec 6 | 2:30-4pm |
| Lindsey Amerine | Alumni | Poster: Evaluating the accuracy and precision of chemotherapy preparations-single center site analysis | Dec 6 | 2:30-4pm |
| Karsten Josie | Alumni, PGY1 Resident | Poster: Statin Optimization in Patients with Diabetes at a Family Medicine Residency Program | Dec 7 | 10-11am |
| Megan Kolf | Alumni, PGY1 resident | Evaluation of use and cost effectiveness of fosphenytoin in a pediatric academic medical center | Dec 7 | 11:15-12:15pm |
| L. Joy Ohnstad | Alumni, PGY1 resident | Clinical impact of pharmacist-led, hospital-based discharge medication reconciliation service | Dec 7 | 11:15-12:15pm |
| Ashley Pokallus | Alumni, PGY2 resident | Poster: Inter-professional global health experience: A clinical pharmacy perspective | Dec 7 | 12:30-1:30pm |
| Jessica Rounds | Alumni, PGY1 resident | Empiric vancomycin use in community-acquired pneumonia in hospitalized Native American patients | Dec 7 | 12:30-1:30pm |
| Quyên Bui | Alumni, PGY1 resident | Improving the clinical practice of anticoagulation therapy management with warfarin in the inpatient setting at St. Luke's Magic Valley Regional Medical Center | Dec 7 | 12:30-1:30pm |
| Charlie Morrison | Alumni, PGY1 resident | Implementation of a pharmacy protocol for intravenous (IV) to oral (PO) conversion between unlike antibiotics in the hospital setting | Dec 7 | 12:30-1:30pm |
| Marinell Schoening | Alumni, PGY1 Resident | Poster: Evaluation of pharmacist intervention using a data mining program on appropriate antibiotic de-escalation of gram negative cultures | Dec 7 | 1:45-2:45pm |
| Taylor Sandvick | Alumni, PGY1 Resident | Poster: Impact of a pilot ambulatory care pharmacist in a family practice clinic | Dec 7 | 3-4pm |
| Cody Weidenhaft | Alumni, PGY1 Resident | Poster: Implementation of a total parenteral nutrition (TPN) pharmacy protocol and standardization of safety practices in accordance with the American Society of Parenteral and Enteral Nutrition | Dec 7 | 3-4pm |
| Chaundra Sewell | Alumni, PGY1 Resident | Poster: Emergency department pharmacist interventions in a small, rural hospital | Dec 7 | 3-4pm |
| Presley Legerski | Alumni, PGY1 resident | Poster: Impact of a standardized patient referral process for pharmacists-provided collaborative drug therapy management on access to and quality of care in a primary care clinic | Dec 7 | 3-4pm |
| Songlin Cai | Alumni, PGY1 resident | Evaluating the effect of recent intravenous drug abuse on vancomycin dosing | Dec 7 | 3-4pm |
