Their advisor is Dr. Larry Staubach, assistant professor of social and administrative pharmacy.

Job Announcement

Pharmacist (Per Diem, Part-time)
Cheyenne, Wyoming

(HSPH11-01248-Pharmacist)

WDH Wyoming Medication Donation Program is seeking a part-time Per-Diem Pharmacist. The Wyoming Medication Donation Program is a licensed Wyoming pharmacy that provides safety-net prescription access to Wyoming residents who cannot afford their medications. The role of the Per-Diem Pharmacist is to provide coverage/relief for the Pharmacy Manager as needed to support the day-to-day operations of the program. This individual will deliver quality pharmacy services, including dispensing, providing clinical information to providers, prescription verification, patient counseling, and adherence to state and federal pharmacy laws. The Pharmacist will supervise pharmacy technicians, donation processing, inventory management, and screening of patient referrals and eligibility. **No nights, weekends, or major holidays.**

For more information and to apply for HSPH11-01248-Pharmacist, visit: http://agency.governmentjobs.com/wyoming/default.cfm

Keep Up-to-Date with School of Pharmacy News!

The University of Wyoming School of Pharmacy wants to stay connected with our alumni, faculty, staff, researchers, and students, and to recognize and share your accomplishments.

These accomplishments are shared through news stories and newsletters. The school distributes both a quarterly electronic newsletter, the *News Capsule*, and an annual report and newsletter, *Wyoming Scripts*. Individual news articles are featured on our News webpage and in our newsletters. We invite you to check out past issues of our newsletters on the Newsletters webpage.
