Commercial Pesticide Applicator Short Course

December 15 - 18, 2009
UW College of
Agriculture, Room 1030
University of Wyoming
Laramie, Wyoming

We invite you to participate in this program which is sponsored by the University of Wyoming's College of Agriculture Cooperative Extension Service and Department of Plant Sciences and the Wyoming State Department of Agriculture.

Mark A. Ferrell
University Extension Educator,
UW Department of Plant Sciences

The fee for this program is \$110 and includes breaks and 1 hour of University of Wyoming undergraduate college credit in PLNT 1150. Grading will be satisfactory or unsatisfactory and will be based on attendance and a score of 70% or better on the general exam.

A pesticide manual is available for \$30, which contains materials pertaining to the commercial pesticide applicator training short course. **The manual may be purchased prior to the short course or at the initial certification short course in Laramie.** Bring a note pad and a calculator.

The Wyoming Department of Agriculture will offer certification examinations for specific application categories following the short course on Friday December 18. There is a license fee of \$25 based on pass/fail of the exams. The fee is handled through the Wyoming Department of Agriculture. There is no license fee for city, county, state, or federal employees. **However, they will have to pay the registration fee of \$110.**
