

Athletic Planning Committee (APC) Annual Calendar

Student-Athlete Well-Being Subcommittee

First (1st) Fall Subcommittee Meeting

1. Establish a work plan that will assign reporting dates for each item to be reviewed (1.a).
2. Review the directives and establish priority for areas of responsibility and objectives (1.b)
3. Review DIA's Excellence at 7220' (E7220) planning calendar and priorities for the academic year (2.c).

Second (2nd) Fall Subcommittee Meeting

1. Review the DIA's NCAA required health and safety policies and best practice guidelines (e.g., concussions, mental health, etc.) (2.d).
2. Meet with SAAC representatives to discuss relevant issues for the student-athletes (2.e)
3. Review other student-athlete well-being issues (2.f).

First (1st) Spring Subcommittee Meeting

1. Review DIA's programming as it relates to student-athlete's mental health. This includes, but is not limited to, reviewing the results and information from the annual Student-Athlete Mental Health Screening conducted in the fall (2.a).
2. Review DIA's programming as it relates to direct medical care (2.b).
3. Review other student-athlete well-being issues (2.f).

Second (2nd) Spring Subcommittee Meeting

1. Recap the E7220 programming and discuss priorities for the next academic year (2.c).
2. Establish priorities of the Student-Athlete Well-Being Subcommittee for the next academic year.
3. Review other student-athlete well-being issues (2.f).
