

UW Great Colleges to Work For Town Hall | December 7, 2018

Roundtable Discussion Prompts

At the December 7, 2018 town hall, attendees will be seated at round tables and will participate in small group discussions intended to develop actionable recommendations that will be reviewed by the UW Great Colleges to Work For Task Force as it prepares a Preliminary Action Plan.

This copy is provided for participants to reference as they prepare for the discussion. Copies of the prompts will be available at the event.

PROMPT #1

As a group, please come to consensus on the one area that is the greatest priority to address. This area will be the focus of your group discussion. Circle one.

- Pride, Morale, Respect, and Appreciation
- Compensation and Benefits
- Resources and Staffing
- Senior Leadership
- Communication
- Decision Making and Shared Governance
- Systems Implementation

Please briefly explain the rationale for your selection:

PROMPT #2

What specific actions would you recommend be taken to address the area you identified in response to Prompt #1? Please number your recommendations. Recommendations should be both reasonable and actionable.

PROMPT #3

Which university division(s), office(s), group(s), or individual(s) are best suited to lead the effort to implement each of the recommendations you listed in response to Prompt #2? Please list the recommendation number from your list above with each group. Examples may include divisions such as the Finance and Administration, offices such as Human Resources, groups such as Faculty Senate or Staff Senate, or individuals on campus who have particular skills, expertise, or authority to help address an issue.
