Three-point Contest Rules

(Updated: 2/20/2018)

1. Each shooter will have 60 seconds to shoot five balls from five racks positioned around the 3-point line. One rack will be stationed at the top of the key, one will be on each wing, and one will be in each corner. Each shooter may begin at either corner of the court. The designated shooting spots along the 3-point arc will be marked with colored poly spots. The shooter will stand behind the yellow poly spot when shooting.
2. The clock will start on the shooter's first release.
3. The first four balls on each rack are worth one point, and the fifth ball (money ball) on each rack is worth two points. A shooter must have both feet behind the 3-point line when he/she releases the ball.
4. A shooter's total score is determined by adding the total points he/she receives for all made baskets from behind the 3-point line.
5. **Tie-Breaker** - The first tiebreaker will be the number of money balls each shooter made in his/her round. The second tiebreaker will be the number of baskets made from the last rack. If a tie still exists, proceed backward through the number of racks until the tie is broken.
