  - March: Thursdays 1, 8, 22, 29
  - April: Mondays: 9, 16, 23, 30

- **Drop-in Stress Management Workshop.** Join us for an experiential workshop to learn and practice techniques to manage stress and increase life balance. Come as often as you like! Presented by Ty Tedmon-Jones, LPC from the University Counseling Center.
  - Every Wednesday, Feb 14-May 9 from noon to 1:00pm in Half Acre 117.

- **Puppy Play Dates.** Come relax and manage your stress with certified therapy dogs. Pet them, read to them, sing to them, talk to them, snuggle them. Studies suggest that petting a kind animal can help people relax, feel more optimistic, and less preoccupied with everyday stress. Offered once a month.
  - Feb 5 (Monday), March 7 (Wednesday), April 4 (Wednesday), May 2 (Monday) from 4-5pm in Half Acre 115

- **Kitty Cuddle Time.** Come relax and manage your stress with adorable kittens! Pet them, read to them, sing to them, talk to them, snuggle them. Kittens are from the Laramie Animal Welfare Society and are also adoptable!
  - February 19 (Monday), March 21 (Wednesday), April 18 (Wednesday), May 7 (Monday) from 4-5pm in Half Acre 115

- **Art-Well Stress Management Program.** Art-Well is our adult coloring program. Coloring isn’t just for kids. It can help decrease stress and anxiety, and promote overall wellness in adults too. Drop in for our relaxing Art-Well program and color your stress away. Coloring pages and colors are provided. We offer scheduled Art-Well times, but if you can’t make those, come to the Wellness Center Zen Den any time on your own.
  - Drop in Mondays, 3-4pm in Wellness Center Zen Den.

- **The Body Project.** This is a peer-led educational program that engages women in tough conversations that our society has created about “the perfect body.” The program involves two, two-hour sessions, and trained peer leaders will guide groups of 6-8 women in conversations about body image, body acceptance, and the costs of pursuing the unattainable ideal appearance. Participants will not only receive tools to forge a healthy mindset around their body, but will also gain skills to positively impact the dynamic concerning the appearance ideal.
  - Registration is required.
  - Open to female students only.
  - Dates/times/locations to be announced.

### Nutrition

- **Cowboy Cooking Class.** Learn to cook budget-friendly, healthy, and easy meals! Sample delicious food and get recipes. Offered twice a month during the academic year.
  - Registration required.
  - 12:10 to 1:00 in Half Acre 117
  - Fridays: February 9, 23, March 23, April 13

- **Mindful Eating.** No more diets! Learn how to listen to your body and let it tell you what, when, why, and how to eat. Practice with delicious food samples provided. This is a regular program offered at the Wellness Center once a month, but can also be an outreach program offered to your group or organization.
  - Registration required.
  - 1:00-2:00 in Half Acre 117
  - February 13

- **Free Fruit Fridays.** Eating healthy doesn’t have to be difficult. Stop by the Wellness Center every Friday and pick up a free piece of fruit, until supplies last. *UW students only, please.*

- **Smoothie Bike.** The first Friday of the month, we bring out our amazing smoothie bike! Stop by the Wellness Center and spin yourself a delicious smoothie!
  - First Friday of the month, beginning in February.

- **Smoothie Bike Rental.** Do you have a juicy event or meeting that you’d like to make even better? Let us help! Rent our smoothie
  - By request only. Two weeks advance notice, please.
bike on an hourly basis for special events. We provide the bike, staff, and all the delicious ingredients! Minimum two weeks advance notice. Contact us for a price quote.

### Physical Wellness

- **Body Composition Testing.** The scale and the mirror are not always the best way to judge body fat and the success of a fitness program. Body composition testing is a great way to set a baseline and track progress. Testing is conducted by certified Personal Trainers and is free. The quick 15-minute sessions are conducted on a first come, first serve basis, once a month. Workout clothing is advised, but not mandatory. No registration or membership required!
- **Personal Training ($).** Receive personalized workouts and support to help you reach your fitness goals.
- **Athletic Training.** Let our Certified Athletic Trainer help you with your injury prevention and care needs.
- **Adult Wellness for Faculty and Staff.** The Adult Wellness Program for faculty and staff gives participants the opportunity to improve overall health, conquer challenging fitness goals, increase confidence, and learn proper exercise techniques to amplify their experience in a fun and motivating environment. We aim to create a realistic and lasting passion for health and fitness in adults that can be sustained for life.

### Financial Wellness

- **Reality Town.** A real life financial simulation similar to the game of “Life”. This event will simulate real life events like having a spouse or children and you must live within the allotted amount of funds given to you in the simulation. Come and see if the job you want can support the life style you would like to be living. If you are interested please register for Reality Town by emailing fsbo@uwyo.edu.
- **Credit with UniWyo.** A presentation with a question and answer session by UniWyo on credit. Learn why and how your credit is important!
- **Budgeting Workshops.** The Financial Wellness Committee will be hosting a workshop to help you budget. The Committee will help you create a monthly budget to follow and also teach you how to use the UWYO Financial Wellness Budgeting spreadsheet.
- **Financial Wellness Speaker about Long-Term Finances.**

### Student Involvement Opportunities

- **Wellness Ambassadors Program.** This is a student organization whose goal is to provide training, support, and opportunities for UW students to become leaders in campus health promotion. The program is open to any undergraduate or graduate student interested in promoting health and wellness at UW. Apply online on our website.
- **Health Leadership Certificate Program.** A self-paced program that provides opportunities to improve your health, wellness, and health promotion leadership skills, along with receiving recognition for
your health promotion and health leadership achievements and contributions. Enroll online on our website.

- **Internships.** Every semester the Wellness Center provides opportunities for students to receive meaningful work experience and internship credit.
