Internship Opportunity with The Wellness Center for Fall 2016

The Wellness Center in Half Acre at the University of Wyoming announces the opening of an unpaid internship position beginning Fall semester 2016. Applicants should be motivated, self-starting individuals with an ability to work independently as well as under supervision and within a team. This internship is an opportunity for students interested in community health promotion to gain practical experience in the field.

**Learning outcomes**

- Gain an understanding of the development, implementation, and evaluation of health promotion initiatives that affect individual health behaviors and environmental factors.
- Support student success through health promotion.
- Assess individual and community needs for health education.
- Serve as a health education resource person.
- Communicate and advocate for health and health education.

**Essential Functions**

- Develop an outreach library of educational presentations on health topics.
- Conduct interactive presentations to campus departments, student organizations, and classes as requested.
- Create and manage social media accounts for Wellness Center.
- Write monthly articles on relevant health topics for Student Health 101 online magazine.
- Develop, promote, track, and manage a health leadership certificate program.
- Collect campus and community resource information to distribute at Wellness Center.
- Coordinate Wellness Wednesday presentations.
- Assist with Wellness Center data collection and analysis for program evaluation and research purposes.
- Participate in and provide support for Wellness Ambassadors program.
- Participate in wellness-related coalitions.
- Participate in Wellness Center team meetings and trainings.

**Application Requirements:**

Please submit a letter of interest, résumé, and contact information for 2-3 professional references via email to lnewlin@uwyo.edu

**Application Deadline:** *Monday, May 2, 2016, 5:00pm.*
Please direct questions or correspondence to:

Lena Newlin, MPH, CHES  
Assistant Director, Wellness  
Half Acre Campus Recreation and Wellness Center
