

Summer Study Abroad

The University of Wyoming is proud to offer 18 faculty-directed programs in 12 countries during the summer of 2020. A faculty-directed program is a class taught for credit by UW faculty abroad. Program duration generally ranges from 2-8 weeks, and topics vary widely. Summer 2020 topics include environmental studies, history, archaeology, law, Chinese Language, political science, Japanese language and culture, business, health, agriculture, social work, geology, Spanish language, art and literature.

For information on these summer faculty-directed programs, check out the Cowboys Abroad portal at <https://uwyo-sa.terradotta.com/>. Click the Explore Your Options icon at the bottom of the page, and search "faculty-directed" in the program name field.

While you're there, be sure to check out the other education abroad opportunities available to UW students!
