By way of explanation, the degree title is listed in *bold italics* (for example, *Bachelor of Arts, Bachelor of Science in Chemical Engineering*). The list of majors for a specific degree in a specific college is listed below the degree title. Information in *italics* and parentheses ( ) following a major is explanatory data, and not part of the official major name. Majors with brackets {} require the insertion of a secondary program of study. Degrees and Certificates proposed to be deleted from previous Master Lists are highlighted in yellow and crossed out. There is a process under University regulations for eliminating programs. The proposed deletions are programs that were duplicated in other departments or that UW has simply ceased to offer over time. As such, the list of programs is being corrected to reflect current offerings. Proposed new Degrees and Certificates have been highlighted in green.
