The Office of the Registrar, in conjunction with all undergraduate colleges, operates a computerized degree evaluation system called CAPP. CAPP is a degree progress report/advising support system that matches your completed and current UW course work (and any transfer courses you might have) with your degree requirements to determine your progress toward earning your degree. CAPP is available on WyoWeb to students and faculty advisors.

Second bachelor students and students with UW course work prior to fall of 1991 should contact the Office of the Registrar to schedule a degree check appointment to ensure that CAPP is properly set up for their use. If you have questions about your CAPP compliance, please contact your adviser for assistance. You may also contact the Office of the Registrar by calling (307) 766-5272 or by coming to the West Wing of Knight Hall.

You will not receive a hard copy of your CAPP compliance in the mail, but you will be able to run a CAPP compliance through WyoWeb. You will also be able to run a “what if” scenario to learn how your course work would apply toward a different major.

Don’t know who your adviser is?

Undergraduate students:
If you have not declared a major or if you are an exchange student or high school guest student, contact:

Center for Advising and Career Services
Rm 222 Knight Hall, (307) 766-2398
