## Notes
- Above schedule is subject to change
- Deadlines to drop courses will be strictly enforced
- Tuition and Fees payment deadline will be strictly enforced
The Family Educational Rights and Privacy Act of 1974, as amended, protects the privacy of education records, establishes the students’ rights to inspect their education records, provides guidelines for correcting inaccurate or misleading data through informal and formal hearings, and permits students to file complaints with the Family Educational Rights and Privacy Act Office (FERPA) concerning alleged failures of the institution to comply with the Act.

The following items are considered directory information and may be disclosed by the university in response to inquiries concerning individual students, whether the inquiries are in person, in writing, or over the telephone:

1. Name;
2. Affirmation of whether currently enrolled;
3. School, college, department, major, or division;
4. Dates of enrollment;
5. Degrees received;
6. Honors received;
7. Full or part-time status;
8. Local address and phone number;
9. Home address (permanent);
10. E-mail address;
11. Participation in officially recognized activities and sports;
12. Weight and height of members of athletic teams.

The University of Wyoming has the responsibility for effectively supervising any access to and/or release of official data/information about our students. However, because Wyoming has a Public Records Act, the above information may be released to any outside entity that requests it unless a student has requested that a Privacy Flag be placed on his or her records.

If you do not want any of the indicated information to be released to anyone outside the university, you need to complete a Request for Privacy Flag form and submit it to the Office of the Registrar. This form must be submitted no later than the 10th class day of the fall semester in order for your information not to be included in the printed Campus Directory.

A Privacy Flag means that your name will not be included in the printed Campus Directory and will not appear in the Web Student Directory. Your name will not be included in any news releases (including honor rolls or graduation). Also, information will not be released to prospective employers, insurance companies, credit agencies, etc. without your signed approval.

A Privacy Flag may be removed at any time by submitting a written and signed request to the Office of the Registrar.

Certain items of information about individual students are fundamental to the educational process and must be recorded. This recorded information concerning students may be used only by authorized university employees and only for clearly-defined educational purposes, must be safeguarded and controlled to avoid violations of personal privacy, and must be appropriately disposed of when the justification for its collection and retention no longer exists.

In this regard, the university is committed to protecting to the maximum extent possible the right of privacy of all individuals about whom it holds information, records, and files. Access to and release of directory information is restricted to the student concerned, to parents of dependent students (documentation must be provided), to others with the student’s written consent, to officials within the university, agencies for the university such as the National Student Clearinghouse, to a court of competent jurisdiction, to authorized educational authorities at the local, state, and federal level, and otherwise pursuant to law.

FERPA Annual Notice to Reflect Possible Federal and State Data Collection and Use

As of January 3, 2012, the U.S. Department of Education’s FERPA regulations expand the circumstances under which your education records and personally identifiable information (PII) contained in such records — including your Social Security Number, grades, or other private information — may be accessed without your consent. First, the U.S. Comptroller General, the U.S. Attorney General, the U.S. Secretary of Education, or state and local education authorities (“Federal and State Authorities”) may allow access to your records and PII without your consent to any third party designated by a Federal or State Authority to evaluate a federal- or state-supported education program. The evaluation may relate to any program that is “principally engaged in the provision of education,” such as early childhood education and job training, as well as any program that is administered by an education agency or institution. Second, Federal and State Authorities may allow access to your education records and PII without your consent to researchers performing certain types of studies, in certain cases even when we object to or do not request such research. Federal and State Authorities must obtain certain use-restriction and data security promises from the entities that they authorize to receive your PII, but the Authorities need not maintain direct control over such entities. In addition, in connection with Statewide Longitudinal Data Systems, State Authorities may collect, compile, permanently retain, and share without your consent PII from your education records, and they may track your participation in education and other programs by linking such PII to other personal information about you that they obtain from other Federal or State data sources, including workforce development, unemployment insurance, child welfare, juvenile justice, military service, and migrant student records systems.
The University of Wyoming is built upon a strong foundation of integrity, respect, and trust. All members of the university community have a responsibility to be honest and the right to expect honesty from others. Any form of academic dishonesty is unacceptable to our community and will not be tolerated.

Problem Resolution
Experience has shown that the best and quickest way to resolve a problem is to contact the person or office involved. We therefore recommend that if you have a problem you take it directly to the faculty member, department head, director, or manager of the unit involved. If you do not know with whom to discuss your problem or feel you need additional assistance, you may contact the Dean of Students Office, 128 Knight Hall, or phone them at (307) 766-3296. The Dean of Students Office staff will assist you and/or refer you to the proper person.

The University of Wyoming is an affirmative action/equal opportunity employer and institution and does not discriminate on the basis of race, color, religion, sex, national origin, disability, age, veteran status, sexual orientation, genetic information, and political belief in any aspect of employment or services. The institution’s educational programs, activities, and services offered to students and/or employees are administered on a nondiscriminatory basis subject to the provisions of all civil rights laws and statutes. Evidence of practices that are not consistent with this policy should be reported to the Employment Practices Officer (307) 766-3459.
I. Undergraduate Admission

UW welcomes all students to apply and will consider each student based on their individual academic achievement. Students may apply for admission up to one year before they intend to enroll online at www.uwyo.edu/apply. Admission decisions are made on a rolling basis as soon as all application materials are received in the Admissions Office. To avoid delays and complications, all application materials should be on file in the Admissions Office at least 30 days before the beginning of the semester.

Required Admission Application Materials

- Online application completed at www.uwyo.edu/apply
- $40 nonrefundable undergraduate application fee
- Official high school and/or college transcripts
- Official standardized test scores (ACT or SAT)

ACT or SAT results are required for new freshmen, applicants under 21 years in age, and used for admission, math placement, academic advising and academic scholarship consideration. High school students should take the ACT or SAT during the spring of their junior year or fall of their senior year. To be considered official, scores need to be submitted to UW directly from the testing agency or on the high school transcript. Writing sections in both the ACT and SAT are not considered as part of the admission requirements.

All official student transcripts must be sent directly to the Admissions Office by the originating institution. A final, official high school transcript indicating the graduation date is required post-graduation to complete admission requirements. UW Admissions only accepts faxed transcripts from Wyoming Community Colleges.

Orientation: All new freshmen and transfer students are strongly encouraged to attend new student orientation prior to their first UW semester. Sessions provide students with an opportunity to meet faculty and staff, plan an academic schedule, explore credit transfer, discuss college life, and register for courses. Additional information on orientation is available at www.uwyo.edu/orientation

A. New Freshmen

1. Assured Admission

To qualify for assured admission to the University of Wyoming, high school graduates who are first-time college students or college transfers with fewer than 30 transferable semester credit hours, must meet the following minimum admission requirements, and complete the pre-college curriculum (see section 2).

1a. High School Graduates: Cumulative high school unweighted grade point average of 3.0 or above based on a 4.0 grading scale, and an ACT test score of at least 21 or a SAT test score (critical reading and math scores) of at least a 980.

1b. Graduates with less than 30 transferable college credit hours: Cumulative transferable college GPA must be at least 2.0; submit your high school transcript, ACT or SAT test score, and meet 1a.

1c. Home Schooled must meet the same requirements as high school graduates: submit transcripts and ACT or SAT test scores. Home schooled students must also submit a Home School Credit Evaluation Form completed by their instructor and available at www.uwyo.edu/admissions/freshman/requirements.html.

2. Completion of at least 19 high school units in the following pre-college curriculum (a unit=1 year):

   English

   Four units of English or their competency-based equivalents are required, of which at least three units must have a substantial writing component. Speech and other communication-based courses which contain “a substantial writing component” may be used to meet this requirement.

   Mathematics

   Four units of mathematics or their competency-based equivalents are required, to include the concepts of a college preparatory Algebra I, Algebra II, Geometry sequence. It is strongly recommended that Algebra II, Geometry or a higher level math course be taken during the senior year of high school.

   Science

   Four units of science or their competency-based equivalents are required. At least one of the units must be from the physical sciences--physics, chemistry, or a college preparatory physical science course. The other two units may be from any combination of biological, life, physical or earth/space science.

   Social Studies

   Three years of social studies or their competency-based equivalents are required, to include a combination of the following subject matter: World History, American History, Geography, American Government; or Economic Systems and Institutions.

   Foreign Language

   Two units of additional coursework chosen from any of the following subjects: fine and performing arts, social and behavioral studies, humanities, additional foreign language, or career-technical course.

   Electives

   Two units of additional coursework chosen from any of the following subjects: fine and performing arts, social and behavioral studies, humanities, additional foreign language, or career-technical course.

2. Admission With Support

Admission with support will be granted to first-time college students or students with fewer than 30 transferable semester credit hours who do not qualify for assured admission, but who satisfy the following requirements.

a. Submit official ACT or SAT test scores.

b. Graduates of state accredited high schools who have a cumulative unweighted high school grade point average of:
   - 2.5-2.99
   - 2.25-2.49 with a minimum composite ACT test score of 20 or SAT score of 960 (math/critical reading combined)

   c. Completion of the precollege curriculum with no more than two deficiencies. In addition, no more than one deficiency can be in each of the precollege curriculum categories.

Terms of Admission With Support

Space in the Synergy program is limited; applicants admissible
under this category are encouraged to apply early.

Students admitted with support will be a part of the Synergy Program and may access information at www.uwyo.edu/synergy. It is strongly recommended that students stay within 12-15 credit hours in their first semester. Students who wish to go above 15 hours should contact the Synergy Coordinator at 307-766-4322 or synergy@uwyo.edu to discuss an exception.

Admission Exception Process
Students who do not otherwise meet the qualifications for assured admission or admission with support may request an admission exception in order to be admitted with support. To initiate a request for admission by exception, applicants should describe in writing the rationale for their specific exception request and send the request to the Admissions Office.

B. Undergraduate Transfer Students
College transfer students with 30 or more transferable semester credit hours must have a 2.0 or higher cumulative grade point average for admission to UW. College students interested in transferring to UW should go online to www.uwyo.edu/transfer.

Applicants who have taken college-level course work and desire to transfer to the University of Wyoming should apply for admission and have one official transcript from each previously attended college or university sent directly to the Admissions Office. Course work from regionally accredited institutions will be evaluated by the Office of the Registrar.

Transfer students with less than 30 transferable semester hours must also have an official copy of their high school transcript sent directly to the Admissions Office by their former high school.
Transfer students under age 21, who have less than 30 transferable credit hours, must also have their ACT or SAT results sent to the UW Admissions Office.

Admission Exception Process
College transfer students who do not meet the 2.0 grade point average requirement for admission to UW may initiate a request for admission by exception. Applicants should describe in writing the rationale for their specific exception request and send the request to the Admissions Office.

C. International Undergraduate Applicants
The University of Wyoming will admit international students who meet admission requirements. Application deadlines are June 1 for fall semester, November 1 for spring semester and April 1 for summer session. The $40.00 undergraduate application fee must be received before the application will be processed.

1. Supply official, attested academic records and examination results. The records should be sent directly to the Admissions Office by the school attended. Applicants must also provide an English translation of all required academic records, and complete all applications and correspondence in English.
2. Provide proof of satisfactory English ability if student’s native language is not English. This can be done by providing official score reports from TOEFL or IELTS. The minimum acceptable TOEFL score is 525 (51 iBT) for most majors or a 550 (80 iBT) for Engineering. The minimum acceptable IELTS score for most majors is 6.0 with a 6.5 required of prospective Engineering students. Contact Admissions (Admissions@uwyo.edu) to inquire about other possible alternatives to the TOEFL and IELTS.
3. Provide evidence of adequate financial resources to pay the total cost of their education. The Confidential Financial Statement for undergraduate international applicants can be found online at www.uwyo.edu/admissions/international/costs.
4. Official ACT or SAT results are recommended, but not required for international applicants.
5. Proof of immunization for measles, mumps, rubella (MMR) and testing for tuberculosis are required prior to registration.

D. General Educational Development (GED) Certificate Holders
1. Applicants must have an average score of at least 550 on the GED test with no individual score below 500.
2. Applicants under 21 years of age must have a minimum composite ACT test score of 20 or a SAT score of 960 (math/critical reading combined) and submitted official scores to the Admissions Office.
3. Applicants must be a minimum of 18 years of age or his or her high school class must have graduated.
4. GED applicants must have a 2.0 or higher cumulative grade point average for all transferable college courses.

E. Adult Nontraditional Students
Adults who do not qualify for regular admission to UW may qualify for admission as nontraditional students. Nontraditional admission requirements are:

1. Minimum age of 21;
2. Minimum of three years since last enrollment in college courses, except correspondence;
3. Send official copy of high school transcript and any college transcripts directly to the UW Admissions Office by the previous institutions.
4. Send official GED scores if applicable.
5. Students admitted under this policy are undeclared majors and will receive their initial academic advising from the Center for Advising and Career Services in 228 Knight Hall, (307) 766-2398.
6. Students considered for adult nontraditional admission must have had a 2.0 or higher grade point average in high school.
7. Neither ACT nor SAT scores are required for students over 21.

F. High School Guest Students
High school seniors and juniors will be considered for admission to UW as high school guests. The following requirements must be met:

1. Complete a UW High School Guest application;
2. Have an official copy of the most recent high school transcript, showing an overall GPA of at least 3.0 sent directly to the Admissions Office;
3. Submit a positive written recommendation from the high school counselor or principal;
4. Submit available ACT or SAT scores.

If high school guest admission is granted, it is for one semester at a time. Subsequent enrollment requires the most recent transcript and new written permission from the high school. High school guests may take up to 6 credit hours per semester. Advising will be provided by the Center for Advising and Career Services in 228 Knight Hall, (307) 766-2398.
G. Undergraduate Non-Degree Student
1. Must complete and submit a Non-Degree Student application and pay a non-refundable $40.00 application fee.
2. Transcripts and test scores are not required for non-degree status.
3. Non-degree students may enroll in a maximum of 7 credit hours per semester (maximum of two courses). Only 12 credit hours taken in this status may be used towards a UW degree.
4. Admission with non-degree status is not available to international students or students on suspension.
5. Students admitted with non-degree status are assessed tuition and fees at the same tuition rate as degree-seeking students.

II. Graduate Admission

A. Graduate Applicants
Prospective students are encouraged to consult with their respective academic department regarding the admission process before making a formal UW application.

Applicants must submit the UW graduate application and the nonrefundable application fee. One set of official transcripts must be sent directly to the UW Admissions Office from each previous collegiate institution.

Domestic applicants must have completed at least a bachelor’s degree from a regionally accredited institution. All applicants should have at least a 3.0 cumulative GPA (scale of 4.0).

Applicants whose department requires the Graduate Record Examination (GRE) must request official scores be sent to the Admissions Office directly from the Educational Testing Service (ETS). UW’s institution code with ETS is 4855. A score of at least 150 on the verbal reasoning section and a score of at least 141 on the quantitative reasoning section is required, (for doctoral programs a score of at least 153 on the verbal reasoning section and a score of at least 144 on the quantitative reasoning section is required).

Some departments may require scores from the Graduate Management Admission Test (GMAT), rather than the GRE, with a minimum score of 500.

Please note that some departments require higher GRE/GMAT scores than what is required by the Admissions Office.

Letters of recommendation may also be required by some departments.

Graduate applicants should contact the respective academic departments for questions concerning application status, degree program requirements, deadlines, and supplemental application materials they may require.

Students admitted with graduate standing may elect to take any undergraduate or graduate courses for which they are prepared, subject to restrictions as outlined in the University Catalog. However, tuition will be assessed at the graduate level for all courses taken with graduate status. Admission to graduate study does not automatically make a student a candidate for an advanced degree.

Note: Students working toward a second bachelor’s degree are not considered graduate students and are subject to all undergraduate regulations.

B. International Graduate Applicants
All graduate international students must also submit the following in additional to application materials required by the Academic Department.

1. Provide proof of satisfactory English ability if student’s native language is not English. This can be done by providing official score reports from TOEFL or IELTS. The minimum acceptable TOEFL score is 540 (76 iBT). The minimum acceptable IELTS score is 6.5. Contact Admissions (Admissions@uwyo.edu) to inquire about other possible alternatives to the TOEFL and IELTS.
2. As with the GRE/GMAT scores, many departments may require a higher level of English proficiency than what is required by the Admissions Office.
3. Provide evidence of adequate financial resources to pay the total cost of their education. The Confidential Financial Statement for undergraduate international applicants can be found online at www.uwyo.edu/admissions/international/costs. Students who are awarded a full graduate assistantship may not need to provide this documentation.

C. Graduate Non-Degree Student
1. Must complete and submit a Non-Degree Student application including non-refundable application fee.
2. Transcripts are required for proof of undergraduate degree for non-degree status, and must be submitted to the Admissions Office.
3. Non-degree students may enroll in a maximum of 7 credit hours per semester (maximum of two courses). Only 12 credit hours taken in this status may be used towards a UW degree. This 12-credit hour rule may be decreased if prior courses were served for graduate credit as either an undergraduate or as non-degree student.
4. Admission with non-degree status is not available to international students or students on suspension.
5. Students admitted with non-degree status are assessed tuition and fees at the same tuition rate as degree-seeking students.
7. Non-degree graduate students deciding to pursue a degree must apply to and be accepted by their respective graduate program and the Admissions Office.

III. College of Law Admission

(307) 766-6416
E-mail: lawadmis@uwyo.edu
Web site: www.uwyo.edu/Law/

Admission to the professional curriculum of law is granted by the College of Law Admissions Committee. The College of Law reserves the right to restrict the number of entering students to a class size consistent with its facilities and its educational objectives. Additional information and requirements are provided on the College of Law website (www.uwyo.edu/law).

1. Complete the electronic University of Wyoming College of Law Application for Admission through LSAC between October 1 and March 1. Applications received by December 1 will be considered for early admission.
2. Submit the application fee online through the College of Law website or by sending a check or money order to the College of Law.
Admission Information

3. Applicants must have a bachelor's degree from an accredited college or university (subject to some limited exceptions).
4. Take the Law School Admission Test (LSAT) administered by the Law School Admission Council (LSAC) no later than the February administration. The LSAT is given four times each year at numerous locations within and outside of the United States. Information about the test, dates, test locations and application form may be obtained from LSAC, Box 2000, Newtown, PA 18940-0998, (215) 968-1001, or on the Web at www.lsac.org.
5. Register with LSAC's Credential Assembly Service (CAS) between September and January. Registration with CAS can be completed through the LSAC website (www.lsac.org). An official transcript from each college attended must be sent directly to CAS. It is advisable to register with CAS at the same time one registers for the LSAT. CAS prepares a report and forwards a copy to each law school to which application has been made. Applicants do not send transcripts directly to the College of Law until they are admitted. For more information about CAS, go to www.lsac.org.
6. International students must supply current TOEFL scores. Minimum scores required for admission are 525 on the written exam or 70 on the internet-based exam. International students must take the LSAT exam and register with the Law School Admissions Council (www.lsac.org). If a transcript analysis will not be provided by the LSAC for any foreign educational institutions attended, official transcripts must be provided with an English translation.

IV. WWAMI Medical Education Program

WWAMI is a contract program between the University of Wyoming and the University of Washington for medical education. Admission is twofold. Applicants must be certified residents of Wyoming. To be eligible for certification, the applicant or parent or guardian must be a legal resident of the State of Wyoming for five continuous years immediately prior to enrolling at the University of Washington. Applications for certification are located at www.uwyo.edu/hs/wiche-wwami-wydent-program/index.html and are due no later than October 15 of the year preceding the anticipated start date of medical school. Participants pay reduced tuition and must either pay back the money expended on their behalf or practice medicine in Wyoming for three years. 2. Applicants must apply to the dental schools through the usual procedures and are subject to admission criteria established by the dental schools. Information is available from the College of Health Sciences; Preprofessional Advising Office; Dept. 3432, 1000 East University Ave; Laramie WY 82071 (307) 766-6704 or (307) 766-3499 or certoff@uwyo.edu.

VI. School of Pharmacy Admission

Admission to the preprofessional pharmacy program is through the university admission process described previously.

Admission to the professional curriculum leading to the entry-level professional Doctor of Pharmacy (Pharm.D.) degree is granted by the Dean of the School of Pharmacy upon the advice of the School of Pharmacy Admissions Committee. The application process requires that students apply to the School of Pharmacy using PharmCAS, for more information about PharmCAS log on to www.pharmcas.org. The application deadline is December 1st for fall admission. Admission to the professional program is limited and competitive. For further information, contact the School of Pharmacy, Dept. 3375, 1000 E. University Ave., Laramie, WY 82071; (307) 766-6132.

VII. Other Information

Wyoming Senior Citizen Policy

Wyoming senior citizens, age 65 and over, who have been admitted to UW may enroll in university courses on a space available basis at no cost upon presentation of evidence of age and Wyoming residence prior to the beginning of the term in which classes will be taken.

Since standard registration fees will not be assessed, additional student benefits will not be available under the senior citizen policy. Alternatively, full-time senior citizen students wishing to receive student benefits may enroll and pay regular registration fees. Scheduled Outreach School classes which meet minimum enrollment requirements are included in the courses available to senior citizens.

Board of Trustee Retirement Benefits

Beginning Spring 2002, official board retirees may attend University of Wyoming classes on a space available basis at no cost. To qualify for this benefit, you must be an official board retiree, 25 years of university service or age 60 with 15 years of immediately preceding university service.

Readmission

Readmission is the process for former University of Wyoming students to again be admitted to the university. Former UW students who have attended another college since their last UW enrollment must have one official transcript from each college sent directly to the UW Admissions Office. Undergraduate students who are returning to UW after an absence of one calendar year or longer should complete an application for admission at least 30 days prior to registration, thereby allowing sufficient time to avoid delays in registration.
Academic Reinstatement: Former students who are on academic suspension at UW must petition for reinstatement through the dean of their college. Reinstatement petitions must be submitted at least 15 calendar days before the beginning of general registration for each term.

Academic Renewal: An undergraduate student who returns to UW and has not completed a college course at UW (excluding flexible enrollment [correspondence study]), during the previous five years, will have the option of continuing his or her earlier UW cumulative GPA or commencing a new cumulative GPA under the Academic Renewal policy. Interested students must submit the Academic Renewal Application Form (which can be obtained in the Office of the Registrar) to the registrar no later than ten class days before the last day of classes of the semester in which the student returns to UW.

The entire UW transcript will remain intact. A note indicating the policy will precede the new part of the UW transcript if the student opts for academic renewal. At the discretion of the academic department in which the student is enrolled, credit hours for which the student earned the grade of C or better may be applied toward the completion of the degree requirements. The list of any departmentally approved courses must be indicated on the Academic Renewal Application Form when initially submitted to the registrar. No further changes may be requested.

A student’s GPA and completed courses that were applied to a baccalaureate degree are not eligible for academic renewal.

Residency Student Classification

The following Trustee regulations govern the classification of students at the University of Wyoming as resident or non-resident for tuition purposes, and shall be administered by the Director of Admission. (Trustee Regulation, Chapter VIII, Section 3.)

Student Classification for Tuition Assessment

The University of Wyoming assesses tuition for Wyoming residents at the in-state rate; non-residents are charged out-of-state tuition. The following guidelines shall be administered by the Director of Admissions to govern University of Wyoming students for purposes of in-state or out-of-state tuition assessment for courses of study offered at the university. University-sponsored courses of study arranged with institutions outside Wyoming may have different residency requirements.

1. The following students are Wyoming residents:
   a. Individuals who are financial dependents or under the age of 24 with a parent, guardian or spouse who lives in the state of Wyoming.
   b. Individuals who are recipients of Wyoming high school credentials.
   c. Active Wyoming National Guard members and U.S. Armed Forces members stationed in Wyoming, and their dependents.
   d. Individuals with a permanent home in Wyoming and who have resided in the state for at least one full year. To determine if a permanent Wyoming home has been established, the following factors are considered:
      • Evidence that any former home has been abandoned
      • Full-time employment performed or contracted for in Wyoming for one continuous year
   • Ownership of home or property in Wyoming
   • One year of continual presence in Wyoming
   • Former Wyoming residency and maintaining state ties
   • Reliance on Wyoming resources for significant financial support
   • Wyoming vehicle registration
   • Wyoming address on most recent federal income tax return
   • A valid Wyoming driver’s license
   • Wyoming voter registration

Residing in Wyoming primarily as a student will not support a claim for resident status.
   e. Graduate students with university-funded fellowships.
   f. Wyoming residents temporarily absent from the state due to military service, attendance at an educational institution, or other type of documented temporary sojourn.
   g. Individuals who have been awarded resident tuition status at a Wyoming Community College and who attend the university within one year of leaving the Wyoming Community College.
   h. The spouse or financial dependent of an individual who is determined to be a Wyoming resident pursuant to this Regulation, except under (1b) and (e) above.

2. The following students are non-residents:
   a. Individuals who do not qualify for Section 1 above;
   b. Individuals who are not U.S. citizens or permanent residents except as provided by Section 1b. above

3. Reduced tuition rates calculated at one hundred fifty percent (150%) of resident tuition are available to the following non-residents:
   a. Graduates of the University of Wyoming and their spouses;
   b. Children, and their spouses of University of Wyoming graduates.

4. Change of residence classification shall be governed by the following process:
   a. An initially assigned non-resident classification may be reviewed by the Director of Admissions when a request and accompanying documentation is provided on or before the first day of classes. A decision on reclassification by the Director of Admissions may be appealed to the Residence Classification Committee within twenty (20) calendar days of the date of the decision by the Director of Admissions. No reclassification will be retroactive to previous terms;
   b. Individuals may be reclassified for the following term when facts indicate that a change in residency has occurred since the time of original residence classification;
   c. The Director of Admissions is responsible for the administration of this procedure.

5. There shall be a Residence Classification Committee consisting of three members appointed by the President, chaired by the Director of Admissions who shall not vote. The duties of this committee shall be as follows:
   a. To render interpretations and rulings at the request of the Director of Admissions;
   b. To serve as an appeals committee for students who wish to appeal the decision of the Director of Admissions;
   c. To consider University policies in the area of residence classification and make recommendations to the Trustees of the University of Wyoming.
General Information

Abandonment of Classes
Failure to attend class or pay tuition and fees does not constitute withdrawal. Students who do not officially withdraw or drop their classes through the Office of the Registrar will be assessed full tuition and fees. WyoWeb may be used to drop all classes through the end of the drop period. After the end of the drop period, students must officially withdraw from the university through the Dean of Students Office. Financial aid recipients who withdraw or reduce credit hours must consult with a financial aid counselor regarding repayment of financial aid funds if applicable.

Some academic departments may drop students from individual classes if the students do not attend the first class meeting. Refer to any notes at the beginning of department class listings.

Changes in College, Major, or Adviser
Forms to change college, major, adviser, or graduate standing or to declare a minor may be obtained from an adviser, the Office of the Registrar, or online at the Registrar’s web site. The student is responsible for obtaining all necessary signatures and returning the form to the Office of the Registrar.

Correspondence Courses
Students interested in earning credit through correspondence study courses should consult the Correspondence Study, 340 Wyoming Hall, (307) 766-5631. Tuition is $94.00 per semester hour for both residents and nonresidents. A student is allowed nine months from the date of enrollment for completion of a correspondence study course. These courses are not eligible for financial aid.

Course Levels
University courses are distinguished by numbers indicating levels of instruction as follows:

- 0000-0999 Preparatory courses (non-credit)
- 1000-2999 Primarily for freshmen and sophomores
- 3000-4999 Primarily for juniors and seniors
- 5000-5999 Primarily for graduate students
- 6000-6999 Law, Pharm.D., and WWAMI courses

Prerequisites are the primary factor which normally govern whether or not a student may enroll for any particular course. However, individual departments and/or colleges may place additional restrictions on course enrollments (e.g., enrollment may be restricted by student classification). Refer to the University Catalog for all prerequisites. Law courses are normally open only to students approved for the law program.

Credit by Examination
The University of Wyoming recognizes the fact that students are from varying levels of society, have different backgrounds and schooling, and therefore possess dissimilar levels of preparation. In recognition of these factors, the university has developed a departmental credit-by-examination program. Students must be currently enrolled in order to qualify for a credit by exam. Students may not seek credit by exam for a course they are currently enrolled in or auditing, or for a course they have previously enrolled in for credit or audit. Please refer to the University Catalog for further qualifications and information. An initial fee of $80.00 is required to sit for each examination. Upon successful completion of an examination, the credit will be posted to the student’s academic records. Applications for departmental credit by examination are available in the Office of the Registrar. Eligibility approval must be received from the Office of the Registrar prior to taking the exam.

Disability Support Services
Students who need to review the accessibility of classrooms or who anticipate needing class-related accommodations due to physical, cognitive, or psychological disabilities should contact University Disability Support Services. Early notification and application for assistance is encouraged to ensure that services are provided in a timely manner. Contact University Disability Support Services, SEO [(307) 766-6189, TTY: (307) 766-3073]

Employee Registration
Eligible employees of the university are allowed to enroll in university credit courses as part of the tuition and fees remission program. Approval by the immediate supervisor or appointing authority is required. The appropriate forms must be secured in advance of the intended registration date and are issued from the Human Resources Department only. Faculty and staff enrolling for courses are expected to conform to established procedures and regulations pertaining to admission and registration (see UW Regulations 4-174 and 4-175).

Financial Aid Reminders
The Office of Student Financial Aid coordinates all student financial assistance available at UW. Available aid includes scholarships, grants (Federal Pell, Federal SEOG, Federal TEACH), loans (Federal Perkins, Federal Direct, and Federal Direct PLUS loans), and employment (Federal Work-Study).

The Student Financial Aid office will help all qualified applicants to secure aid, but resources are limited. All students who apply for financial assistance are expected to work and to save a major portion of their earnings to apply against their educational expenses. Aid is offered first to those applicants whose materials are completed and received by March 1 prior to the academic year for which aid is sought. Federal Pell Grants, Federal TEACH Grants, SMART Grants and Federal Stafford Loans are available to qualified applicants throughout the year.

Prospective students seeking scholarships should send an application for admission, the nonrefundable application fee, and a copy of their current high school or college transcript to the UW Admissions Office by December 10. Students who have attended another college must have that college submit an academic transcript to the UW Admissions Office.

Students seeking financial aid or assistance based on their financial need must submit a Free Application for Federal Student Aid (FAFSA) directly to the federal student aid program processor. UW recommends filing the FAFSA online at www.fafsa.ed.gov in January prior to the next academic year. Final responsibility for ensuring that all required documents are received in a timely manner rests with the applicant.
General Information

Enrollment Requirements
Most scholarships require the recipient to be enrolled full-time. Hathaway Scholarships are available to students enrolled half-time (6 hours a semester). Federal Pell Grants, Federal TEACH Grants and veteran’s benefits may be pro-rated for part-time enrollment. Pell Grant amounts will be adjusted for changes in enrollment only through the end of the drop/add period. Federal Direct Loans may only be borrowed by students enrolled for at least half time (a minimum of 6 hours for undergraduate and pharmacy students; a minimum of 4.5 hours for law and graduate students). Federal Pell Grants and Federal SEOG Grants are available to undergraduate students who have not completed the requirements for their first undergraduate degree. Generally, Federal aid is not available for UW Correspondence Study, for continuous registration hours, or for audit hours. For details, ask a financial aid adviser.

Eligibility Requirements
To receive federal financial aid (such as Federal Pell and Federal SEOG grants, Federal Work-Study, Federal Perkins, Federal Direct [subsidized or unsubsidized], and Federal Direct PLUS loans) students must meet the following conditions and provide supporting documentation when requested to do so: have a high school diploma or its equivalent, be enrolled in an elementary or a secondary school, be enrolled in a degree program, be a U.S. citizen or eligible non-citizen, have a demonstrated financial need if required, maintain reasonable academic progress, not be in default on a federal student loan or owe an overpayment of a federal grant at any institution (or, if so, have made satisfactory arrangements to repay or otherwise resolve the overpayment or default), not have borrowed in excess of the annual or aggregate loan limits of a federal loan program (loan borrowers only), agree to use funds received only for educational costs, register with the Selective Service if required, and not have had federal financial aid benefits suspended as result of a drug conviction. Aid recipients must make satisfactory academic progress toward their degree to receive federal aid. Academic progress is checked once a year following the end of the spring semester.

Satisfactory Academic Progress (SAP)
Federal regulations require the University of Wyoming to establish satisfactory academic progress standards for student financial aid recipients. These standards at the University of Wyoming are called “Satisfactory Academic Progress” or “SAP.” The University of Wyoming standards of SAP measure a student’s academic performance both qualitatively and quantitatively by reviewing the following three areas of performance: completion rate for all (cumulative) UW and transfer coursework, cumulative grade point average (Cum GPA) earned and the maximum time frame to complete a degree. Failure to comply with any one of the following requirements will result in a loss of federal student aid eligibility:

- The minimum CUM GPA for undergraduates and professional students (J.D. or Pharm.D.) is 2.000. For graduate students, the minimum CUM GPA is 3.000;
- Each student must complete at least 67% of all credit hours attempted cumulatively at all colleges attended;
- Undergraduate and graduate students must complete graduation requirements in no more than 150% of the average length of their program. Typically this is 180 credit hours for most undergraduate degree programs.

Satisfactory Academic Progress is reviewed at the end of every semester. Students not meeting either of the first two requirements listed above will be automatically placed on financial aid warning. Financial aid warning provides an opportunity for students to correct deficiencies and re-establish compliance with the SAP standards. Students have until the end of the succeeding semester to correct their SAP problem. Students remain eligible for federal financial aid during the financial aid warning. At the end of the warning period, the student will either be:

- Removed from warning status because all three components of the SAP policy are now met; or
- Suspended from receiving assistance from federal sources and will receive a Financial Aid Suspension notification via WyoWeb and email.

Suspended students are no longer eligible for federal financial aid until they have taken classes, using their own funding, and have raised their cumulative GPA or completion rate to meet the SAP standards. Suspended students may appeal their financial aid suspension. To do so a student must submit their appeal no later than the end of the “Drop/Add” period of the semester for which the appeal is submitted by providing the Office of Student Financial Aid with a signed SAP Appeal Form explaining why he/she should not be suspended. A student may appeal due to mitigating or extenuating circumstances that could not be influenced, planned for, or prevented by the student (e.g., hospitalization, prolonged illness, death in the immediate family). Documentation verifying the situation is required and must accompany the appeal. The outcome of a student’s appeal depends upon why the student failed to make SAP, how well that is documented, and what has changed in the student’s situation that would allow the student to demonstrate SAP at the next evaluation. An appeal may be approved only if the school: 1) has determined that the student will be able to meet SAP standards after the subsequent payment period; or 2) develops an academic plan with the student that, if followed, will ensure that the student is able to meet SAP standards by a specific point in time. The SAP Appeal Form is available on-line at the Office of Student Financial Aid’s web-site, www.uwyo.edu/sfa for downloading and printing or directly from the Office. Contact the Office of Student Financial Aid for more information regarding SAP.

Funds Distribution
Each student who registers has his or her own student account with the university. Once a qualified student has registered for classes and has accepted their award(s) on WyoWeb, the Office of Student Financial Aid will authorize the electronic transfer of financial aid funds to the student’s individual account at the university.

Federal Direct loans are made by the Department of Education. They electronically transfer loan proceeds to the university for direct deposit to student accounts. Federal Direct Loan amounts may be reduced by amounts up to 4 percent to be retained by the Department of Education as origination and guarantee fees. First-time borrowers of Federal student loans must participate in entrance loan counseling (Web presentation). All student loan borrowers must participate in an exit loan interview (on the Web) prior to leaving UW.

Federal Work-Study funds are paid as payroll checks twice a month. Payroll checks may direct deposited or mailed.

The university will automatically charge a student’s account for
General Information

Tuition and fees based on the student’s enrollment. This will be a subtraction entry. Likewise, if a student is living in a university residence hall, room and board charges will be placed on the student’s account.

Any financial aid credited to a student’s account will automatically pay tuition and fees and then charges for room and board in UW residence halls. Unless directed otherwise by answering the Title IV form on WyoWeb, any remainder will be applied to other university charges (but not short-term loans or UW Bookstore charges). If a balance is showing on the student’s account, the student must pay the amount owed. If a credit results, a “credit balance refund” will appear on the student's account when the refund amount has been processed. The refund will be disbursed according to the student’s preference on UWCowboyCard.com. Refund processing begins the week prior to the start of a new term and continues throughout the term.

A scholarship awarded for the academic year will be split into two equal payments to the recipient’s student account with one to be paid at the beginning of each semester unless the donor or selection committee specifically directs that it be paid differently.

Students enrolled in a domestic or international exchange program or a study abroad program approved by UW for academic credit are eligible to apply for federal student financial assistance. Likewise, students concurrently enrolled in classes at two or more eligible institutions of post-secondary education may apply for federal aid. A special consortium agreement between institutions must be completed prior to each semester a concurrently enrolled student seeks aid.

Information describing available aid, award criteria, rights and responsibilities of aid recipients, costs of attendance, refund and repayment policies, and schedules is available online at www.uwyo.edu/sfa.

Financial aid policies are subject to change without notice to reflect modifications in federal, state and institutional laws and regulations.

Full-Time Status

Undergraduate and Pharm.D. students enrolled for at least 12 semester hours are considered full-time students. This status entitles students to full benefits including admission privileges to cultural affairs, university theatre productions, and to intercollegiate athletic games, services of the Student Health Service and Wyoming Union, participation in the university short-term student loan program, access to the university microcomputer pods, membership in the Associated Students of the University of Wyoming (ASUW) and participation in its activities, and participation in the university’s intramural and open recreation programs.

Undergraduate and Pharm.D. students enrolled for at least 12 semester hours of credit will have their enrollment verified as “full time” to non-university entities for student loan deferments, insurance documents, veterans benefits, and similar programs.

Note: Correspondence courses are not officially posted to a student’s record until grades have been received in the registrar’s office, and the hours are not included in determining a student’s full-time status until grades have been posted.

Graduate and Law students enrolled for at least 9 semester hours are considered full-time students. This status entitles graduate and Law students to the benefits indicated above regarding full-time undergraduate students. Graduate and Law students enrolled for fewer than 9 but at least 4.5 semester hours may apply for federal student loans.

Undergraduate and Pharm.D. students enrolled for fewer than 12 but at least 6 semester hours and graduate students enrolled for fewer than 9 but at least 4.5 semester hours will be charged for the Part-Time Benefit Package which entitles them to all the privileges of a full fee-paying student, as listed above. Graduate and Law students enrolled for fewer than 9 hours who choose to retain the Part-Time Benefit Package will have their enrollment verified as “full time” to non-university entities for insurance documents. Other enrollment verifications for these students will reflect their actual enrollment level.

Graduate students who have completed all course work for a master’s degree and are working full-time on their thesis (which must be certified by the student’s academic adviser or department head in writing to the Office of the Registrar) may register for 1 semester hour and become eligible to purchase the Optional Fee Package, thereby becoming eligible for enrollment verification as “full time” for needs such as student loan deferments and insurance documents. Other enrollment verifications for these students will reflect their actual enrollment level. These students are not eligible to borrow federal student loans.

Graduate students who have completed their preliminary examination for a doctoral degree and are working full-time on their dissertation (which must be certified by the student’s academic adviser or department head in writing to the Office of the Registrar) may register for 1 semester hour and become eligible to purchase the Optional Fee Package, thereby becoming eligible for enrollment verification as “full time” for needs such as student loan deferments and insurance documents. Other enrollment verifications for these students will reflect their actual enrollment level. These students are not eligible to borrow federal student loans.

The Optional Fee Package must be purchased by the last day of the registration period.

Grade Reporting

Instructors of all courses numbered below 5000 must submit midterm grades online. A grade of P (pass) will be assigned to those students performing at a C level or higher. A UK (unknown) may be assigned if an instructor is unable to make a determination of a midsemester grade due to lack of performance assessments such as exams, papers, homework, etc. Since midterm grades are not recorded on the permanent academic record, changes will not be made to them if an error has been made. The Office of the Registrar does not mail hard copies of midterm or final grades. Students may obtain both midterm and final grades via WyoWeb. Official transcripts contain final grades and may be requested through the Office of the Registrar or on WyoWeb.

Auditing a Course

The privilege of non-credit enrollment in a class is available, upon approval of the adviser and the instructor, to any university student. The auditing privilege is subject to the same fee schedule as credit courses. Auditors are expected to attend class regularly and complete such graded work as required by the instructor. It is the responsibility of the student to determine and fulfill the requirements for a satisfactory audit. Though this au-
General Information

diting privilege carries full rights of class participation, it definitely offers no academic credit, does not count toward full- or part-time status, and will result in a mark of satisfactory (S) or unsatisfactory (U). Subsequent credit for the course by special examination is not available.

Mathematics Placement
All UW math courses have carefully stated prerequisites. The Department of Mathematics considers adherence to these prerequisites essential in assuring that each student has the best possible opportunity for academic success. In accordance with this policy, all students registering for a math course will have their records checked in order to determine whether the prerequisite is satisfied. A computerized prerequisite check is run approximately two weeks prior to the start of the fall and spring semesters. Students who early register for a math course but have not satisfied the prerequisites at the time of the check will be automatically dropped from the course.

Prerequisites may be satisfied in the following ways:
1. Passing the Math Placement Exam (MPE) at the appropriate level within one year prior to the start of the course.
2. Receiving a sufficiently high ACT composite math score or SAT quantitative score of 600 or above within the last three years.
3. Passing a prerequisite course with at least a C. High school courses and out-of-state non-credit courses are not counted as prerequisites. However, certain Wyoming community college courses will be considered.

Questions about math placement can be addressed to the Center for Advising on Math Placement (CAMP), 222 Ross Hall, (307) 766-6577, or visit the Mathematics Department website at www.math.uwyo.edu.

National Student Exchange (NSE)
NSE is a cooperative exchange program that provides an opportunity for students to capitalize on areas of academic specialization and strength. Exchange is made through a cooperative effort between institutions with the assurance of credit transferability. The university currently has an agreement with more than 175 American colleges and universities. Students interested in the National Student Exchange Program should contact International Student Services, 241 Knight Hall, (307) 766-5193 or check out www.nse.org.

Parking Information
Students may bring motor vehicles to the campus, but they are subject to traffic and parking regulations as designated by the university and Laramie city ordinances. If a student intends to utilize university parking areas, motor vehicles, including motorcycles and motorbikes, either owned or operated by a student must be registered at the time of enrollment or within 24 hours after bringing the vehicle to Laramie. Please contact the Transportation and Parking Services for the registration amount. Shuttle lots are located on the east end of campus.

Prerequisites
While some prerequisites are included in the class listings, all students are responsible for referring to the University Catalog to verify all prerequisites for a course. Some departments will administratively drop students from a class for which they do not have the necessary prerequisites.

Removal of “I” (Incomplete) Marks
Students who have “I” (incomplete) marks recorded should make arrangements with instructors to complete the required work and have an “I” removal form filed in the Office of the Registrar. Under the provisions of UW Regulation 6-720, “I” marks revert to failing grades if not removed within authorized time limits (normally 120 days after the end of the semester). The provisions of this regulation apply equally to graduate and undergraduate students.

Students should not re-register in a course for “I” removal purposes.

Repeat Courses
All grade entries remain on the student’s record, but only the last grade earned will be calculated in the UW cumulative GPA. Courses applied towards one completed degree may be repeated as part of a second degree; however, the grade and grade point average in the original degree will not be changed. When repeating a course which has variable credit, a student must have written confirmation from the instructor and department head verifying that the course being taken for a repeat is identical to the previously taken course and that it is allowable for the student to use this course as a repeat course. A student is limited to a maximum of three (3) attempts in any course at the University of Wyoming. An “attempt” includes any instance in which the student earns a grade for the course or withdraws from the course. The three-attempt limit does not apply to courses identified in the University Catalog as being appropriate for students to take multiple times. A student can petition for exceptions to this limitation through established university procedures (UW Regulation 8-238).

Reserving Courses for Graduate Credit
Undergraduate students taking graduate level courses which are not in any way a part of their undergraduate degree program have the option of later using such courses for purposes beyond the bachelor’s degree requirements. Students need to first analyze their own circumstances and needs. If a student intends to pursue a graduate degree or needs courses noted on a transcript as “Reserved for Graduate Credit” for job classification (e.g., advancement on teacher salary schedules), the student should file the appropriate petition obtainable from the Office of the Registrar. The deadline for such petitions is by mid-term of the semester in which the course(s) is taken.

Senior Citizen Enrollment
Wyoming senior citizens age 65 and older who have been admitted to the University of Wyoming may enroll in university courses on a space-available basis at no cost upon presentation of evidence of age and Wyoming residency to the Admissions Office prior to the beginning of the term in which classes will be taken. Standard tuition and fees will not be assessed; however, special fees which are required in selected courses are not waived and must be paid by the student. Additional student benefits are not available under
the senior citizen policy. However, full-time senior citizen students wishing to receive student benefits may enroll and pay regular university tuition and fees. Scheduled Outreach School classes which meet minimum enrollment requirements are included in the courses available to senior citizens without cost. Senior citizens should consult the associate director of admissions, 140 Knight Hall, (307) 766-5160, prior to the payment of fees.

**WyoOne Campus I.D. Cards**

The ID card, also referred to as the WyoOne card, is the official identification card for the University of Wyoming. Students access their library privileges, residence hall, meal plan, check writing verification, recreational gymnasia, athletic events, and other areas with their WyoOne card. The WyoOne card may also be used as a debit card to make purchases on campus. Main campus students need to obtain an ID card early in the first semester of enrollment. Outreach students may obtain an ID card encoded “Outreach Student”. ID cards are available at the WyoOne Office, 28 Knight Hall.

**Student Classifications and Codes**

- FR  Freshman - less than 30 hours
- SO  Sophomore - 30 through 59 hours
- JR  Junior - 60 through 89 hours
- SR  Senior - 90+ hours
- SPU  Special Undergraduate - no degree objective
- SB  Second bachelors – degree-holders seeking a second undergraduate degree
- HSN  High school guest – high school seniors concurrently registered at the university
- NDS  Non-degree seeking undergraduate student
- NON  Postbaccalaureate student not pursuing a degree
- DR  Doctoral student admitted to degree candidacy
- LW1  Law student (professional) first year
- LW2  Law student (professional) second year
- LW3  Law student (professional) third year
- MD1  Medical student (professional) first year
- PH1  Pharm.D. (professional level) first year (0-33 hrs)
- PH2  Pharm.D. (professional level) second year (34-69 hrs)
- PH3  Pharm.D. (professional level) third year (70-104 hrs)
- PH4  Pharm.D. (professional level) fourth year (104+ hrs)

**International Student Exchange Program**

University of Wyoming students may earn academic credit through participation in an international exchange. Hundreds of exchange sites are available to UW students. Students considering an exchange should consult with International Programs Office, (307) 766-1121.

**Transcripts**

Official transcripts of UW academic work are available at the registrar’s office. There is no charge for transcripts. Please allow 1-2 days for processing. Same-day transcript service is available for $10 (limit 2). Federal law requires a student’s signature before a transcript can be released or that the transcript be requested via WyoWeb. All financial obligations to the university must also be satisfied before transcripts are released. For further information, contact the Office of the Registrar at (307) 766-5515.

**University Bookstore**

The University Bookstore is a self-supporting university-owned organization which was founded in 1921. It provides students, faculty, and staff members, and campus visitors with a variety of products and services. In order to fulfill its primary mission, the bookstore stocks new and used textbooks, general books, school supplies, office products, educationally-priced computer software, and art and engineering supplies. As a convenience the bookstore also stocks additional items like gifts, insignia sportswear, greeting cards, candy, and sundries. Services the bookstore provides include bookbinding, a special order book service, cap and gown rental, complimentary gift wrapping, a used book buy-back program, postage stamps, and UPS and FAX services.

The bookstore is located on the main level of the Wyoming Union. Hours of operation during the academic year are: 7:30 am - 5 pm Monday through Friday, 10 am - 2 pm Saturday, and 9 am to 30 minutes prior to kickoff on Saturdays with home football games. For additional information please call (307) 766-3264 or visit our web site at www.uwyobookstore.com.
Veterans Benefits

Students who have served in the armed forces may be allowed credit for courses taken in some military schools. Students who desire to apply for UW credit for classes taken at a military school should submit a copy of the CCAF Transcript, ACE Transcript, SMART Transcript, or DD-214 Form or its equivalent to the Office of the Registrar. Individual colleges will determine whether such courses will be applicable to degree programs. All veterans seeking educational benefits must register with the veterans’ certification specialist in the Office of Student Financial Aid, 174 Knight Hall, 766-2424. This includes completing a veteran’s registration card each semester. Those veterans not completing a veteran’s registration card by the last day of the late registration period will be dropped from VA educational assistance at the university.

Class load requirements for veterans:

Undergraduate and Pharm.D. Veterans:

- **Full-time**: 12 or more credit hours
- **¾ time**: at least 9 but fewer than 12 hours
- **½ time**: at least 6 but fewer than 9 hours
- **Less than ½ time**: registration credit-hour fee reimbursement only

Graduate and Law Veterans:

- **Full-time**: 9 or more graduate credit hours or certification by the Office of the Registrar*
- **¾ time**: at least 7 but fewer than 9 graduate credit hours or certification the Office of the Registrar*
- **½ time**: at least 4.5 but fewer than 7 graduate credit hours
- **Less than ½ time**: registration credit-hour fee reimbursement only

*The final responsibility for seeing that the veterans’ certification specialist has a certification from the Office of the Registrar rests with the student. It must be received by the last day of scheduled registration.

If any portion of a veteran’s schedule is composed of courses which are less than the full semester in length (i.e., short courses, workshops, blocked courses), the rate of benefit payment may be affected. For questions or concerns contact the veterans certification specialist in the Office of Student Financial Aid, 174 Knight Hall, (307) 766-2424.

Withdrawal from a class or classes could reduce a veteran’s benefits for that term. For details contact the veterans’ certification specialist in the Office of Student Financial Aid.

Check your Grades on WyoWeb

Your midterm and final grades will be available on WyoWeb as soon as they are submitted by your instructor. They may be found on the “Student Resources” tab, in the “Student Grades” channel.

Fall 2013 midterm grades are due on October 23rd and final grades are due December 19th.
Tuition, Fees, and Expenses

Credit Balance Refunds
Student credit balances are refunded using an electronic process. Any financial aid credited to a student’s account will automatically pay tuition and fees and then charges for room and board in UW residence halls. Unless directed otherwise by answering the Title IV form on WyoWeb, any remainder will be applied to other university charges (but not short-term loans or UW Bookstore charges). If a balance is showing on the student’s account, the student must pay the amount owed. If a credit results, a “credit balance check” charge will appear on the student’s account when the refund amount has been processed. Refunds will be disbursed according to the refund preference selection made by the student on UWCowboyCard.com. Refund processing begins the week prior to the start of a new term and continues throughout the term. For more information on the refund process, please contact the Accounts Receivable Office, 250 Knight Hall.

Stafford Loans - UW will receive its student loan money for students in one electronic transfer of funds. Funds will be electronically credited to each student borrower’s account at the university. Tuition and fee charges (and other university charges when authorized by students) will be deducted and any remaining funds will be refunded per the procedure described in the previous paragraph. Any amount owed the university will be retained from the student loan prior to any funds being released to the student, regardless of payment plans.

Billing and Payment of Tuition and Fees
All university charges are due prior to 4pm Friday, August 30, 2013. Students who are unable to pay the entire amount by the first day of class may confirm their registration by making a payment of one-third the total amount due on their student account. This payment will automatically place a student into the University’s Institutional Payment Plan which has payment due dates of 4pm October 4, 2013 and 4pm November 1, 2013. An enrollment fee of $15.00 will be added to the student’s account each semester they are enrolled in the plan. Students who fail to pay in full or make the registration confirmation payment prior to the close of business Friday August 30, 2013 will have their classes dropped; this deadline will be strictly enforced. Students owing $100.00 or less will not be placed in the payment plan or dropped. Offered and accepted financial aid in an amount equal to or greater than the required payment amount will be treated as a payment on the plan. Please check your My Account channel on WyoWeb to determine the amount due or contact Accounts Receivable at (307) 766-6232.

Charges for a course delivered by Outreach Credit Programs are due approximately one month before the first day of the class or upon enrollment, whichever occurs later. As with other university classes, confirmation of registration may be made by making a one-third payment by the deadline (and automatic enrollment in the University’s Institutional Payment Plan) or with accepted financial aid in an amount equal to or greater than the required payment amount. Please contact Outreach Credit Programs for details and for exact deadline dates.

Semester Tuition & Fee Schedule 2013-14
(Subject to change)
The University of Wyoming semester fee schedules are shown below. Different fees are applicable for summer school as published in the Summer Bulletin. The University Trustees and the university administration reserve the right to change the amounts for tuition and fees at any time.

Computing Fee
The computer fee is specified for the support of the computer education environment in the college in which the student is majoring.

Please refer to the Accounts Receivable web site for fee information.

Tuition Waiver
If an employee, spouse of an employee, or cooperating agency waiver is used for payment of tuition and/or fees, the waiver must be submitted early enough to ensure an approved waiver is received by Accounts Receivable prior to the first day of the semester. Waivers will not be posted to the student’s account until after the drop/add period.
Tuition, Fees, and Expenses

Financial Holds
A student failing to pay fees, charges, fines, penalties, deposits, or short-term loans as prescribed by the Trustees of the University of Wyoming shall be denied registration at the university and denied copies of academic transcripts and/or diplomas until such fees, charges, fines, penalties, deposits, or short-term loans are paid in full. A 10-day wait is required before a student loan hold can be removed if the debt is paid with a personal check. Contact Accounts Receivable or the Student Financial Operations Office in Knight Hall for information regarding financial holds.

Refunds/Cancellations
Tuition and course fees will be canceled or refunded to a student who officially drops a class or classes, withdraws from the university through the Dean of Students Office or changes enrollment status (i.e. non-resident to resident; full-time to part-time) in accordance with the institutional refund schedule below.

No tuition penalty will be assessed for dropping and adding during the drop/add period identified in the term’s Class Schedule unless all classes are dropped or an all-school withdrawal is processed. Students who withdraw from individual courses after the end of the drop/add period will have their charges canceled in accordance with the institutional refund schedule.

Mandatory fees, late registration fees, and service fees are not refundable.

The portion of tuition refund/cancellation is computed from the first day of the term, not from the class meeting pattern. If a student’s initial registration includes blocked classes or short courses that begin at a later date, the refund/cancellation will still be computed from the first day of the term. If a student’s initial registration occurs during an approved late registration period, the date for computing a refund/cancellation will be the first day of the term.

Examples of these calculations are available in the Accounts Receivable office.

Courses delivered through the Outreach School through Outreach Credit programs may be subject to different refund policies. Please visit the Outreach School web site at www.uwyo.edu/outreach/ocp or call (800)448-7801 for information.

Student Medical Insurance
The university makes available a basic Student Medical Insurance policy for all eligible students. Eligibility is determined by status and credit hour load – undergraduates taking 6 or more credit hours and graduates taking 4.5 or more.

Each enrolling student will be required, as part of the registration process, to make a Student Medical Insurance selection. If the eligible student selects “YES” to the question, the premium will be assessed on the student’s account. If the student selects “NO,” they will not be assessed for the premium. Part-time students who select “yes” for health insurance will also be assessed for the Part-time Student Benefit Package. Student medical insurance is mandatory for international students.

Graduate student taking fewer than 4.5 credit hours may petition for eligibility to purchase the part-time student benefit package. Those graduate students who successfully petition for the benefit-package may enroll in the Student Medical Insurance program only by contacting the Student Medical Insurance Office.

For questions regarding the Student Medical Insurance program, contact the Student Medical Insurance Advocate (248 Knight Hall) at (307) 766-3025 between 8 a.m. and noon weekdays.

Part-time Student Benefit Package
The Part-time Student Benefit Package includes the same benefits as those afforded full-time students including, but not limited to, the use of Student Health Services, use of recreation facilities, and the opportunity to apply for Short-term Emergency Student Loans.

To qualify for the part-time student benefit package, undergraduate students must be enrolled in 6.0 to 11.5 hours; graduate students must be enrolled in 4.5 to 8.5 hours. Students who chose to purchase the UW insurance and meet the required hours will be charged the part-time student benefit package. Graduate students taking less than half-time hours may fill out a petition for the part-time student benefit package (form available in Accounts Receivable). For all questions regarding the Part-time Student Benefit Package, contact Accounts Receivable (250 Knight Hall) at (307) 766-6232.

Visitor’s Fee
Individuals who are not otherwise enrolled at the university and who are not university employees may visit classes taught as part of a university course. The privilege of visiting a class entitles the visitor to a seat in the class and the privilege of listening without class participation rights. The visitor receives no regular credit and subsequent credit by examination is not available.

A visitor’s card may be purchased in the Office of the Registrar (West Wing of Knight Hall) for $25.00 per course. Approval of the respective instructor is required. Visitor’s cards are not available until the first day of classes.
Federal Return of Funds Policy

A student who receives federal financial aid (other than Federal Work-Study paychecks) and chooses to complete less than 60% of an academic term is considered not to have earned all the federal aid he or she has been awarded.

- If aid already disbursed is equal to earned aid, no further action is required.
- If aid already disbursed is less than earned aid, additional aid may be offered to the student after he or she withdraws.
- If aid already disbursed is greater than earned aid, UW and/or the student must return some federal funds.

To determine whether federal funds have been earned or must be returned, UW follows this procedure:

1. Determine the percentage of the term the student completed. This is calculated by dividing the number of calendar days (including weekends) in a term into the number of calendar days that the student was in attendance for that term.
2. Apply the percentage of time attended to the total amount of federal aid the student was eligible to receive for the term. This is the student’s “earned aid.”
3. Subtract the amount of earned aid from the amount of aid actually disbursed to the student. A positive remainder is the student’s “unearned aid.” A negative remainder is the student’s “earned aid” that may still be offered to the student.
4. Determine the amount of unearned aid remaining that must be repaid by the student. Subtract the amount of unearned aid repaid by the institution from the total amount of unearned aid.

All unearned aid will be returned to the federal student loan lender or federal aid accounts in the following order: (1) Unsubsidized Stafford Loan, (2) Subsidized Stafford Loan, (3) Federal Perkins Loan, (4) Federal PLUS Loan, (5) Federal Pell Grant, (6) Federal SEOG Grant, (7) Federal Teach Grant, (8) Iraq Afghanistan Service Grant. Any amount owed by the student on a grant will be reduced by 50%.

The date of a student’s withdrawal from UW will be the date of the student’s notification to the Dean of Students Office of an intent to withdraw. When a student fails to officially withdraw from UW, it will be assumed that the withdrawal date is the midpoint of the semester or the last date of documented academic activity.

UW will repay the lesser of (1) the total amount of unearned aid or (2) an amount equal to the student’s institutional charges multiplied by the percentage of unearned aid. “Institutional charges” are defined as charges for tuition and fees, plus room and board charges for students living in UW residence halls and apartments. It does not include such charges as bookstore charges, student health insurance premiums, parking citations, or library fines.

UW must return the unearned aid for which the school is responsible by repaying funds to loans and/or grants. The amount of unearned aid returned by the school is owed by the student and must be repaid immediately. Any remaining loan funds must be repaid under the normal repayment terms of the loan.

Any amount of earned aid not yet disbursed to the student will be offered to the student. Such offers will cover any undisbursed grants first, followed by the undisbursed loans.

Examples of how the amount of unearned federal aid a student must return is calculated are available from a professional adviser in the office of Student Financial Aid. A chart detailing the percentage of earned and unearned aid, by calendar day of the semester, is provided below. In brief, to determine the percentage of earned federal aid, the calculation will use the total number of calendar days in the term divided by the total number of calendar days the student attended.

Interaction of Federal Return of Funds Policy and Institutional Refund Policy

When a student who receives federal financial aid withdraws from the university, he or she may owe a repayment of federal funds and/or be due a refund from UW or owe an additional amount to UW. The Federal Return of Funds policy will be applied before any refund due under the UW policy is disbursed. For details on the application of these policies to a specific situation, please consult with the Accounts Receivable Office, 250 Knight Hall, (307) 766-6232.

### National Guard Benefit

Active Wyoming National Guard Members in good standing and considered to be satisfactory participants may apply to participate in the Education Assistance Plan. The Plan provides 100% tuition and mandatory fee payment for all courses leading to one degree at UW, as long as the recipient continues to meet academic and service commitment requirements. Recipients must agree to serve the Guard for at least two years after earning their degrees. This benefit may be used concurrently with GI Bill benefits. For information and application packets, please contact the Wyoming National Guard Education Office at (800) 832-1959, ext. 5262, the UW Outreach School at (800) 448-7801, or the UW financial aid office at (307) 766-2424.
The Office of the Registrar, in conjunction with all undergraduate colleges, operates a computerized degree evaluation system called CAPP. CAPP is a degree progress report/advising support system that matches your completed and current UW course work (and any transfer courses you might have) with your degree requirements to determine your progress toward earning your degree. CAPP is available on WyoWeb to students and faculty advisors.

Second bachelor students and students with UW course work prior to fall of 1991 should contact the Office of the Registrar to schedule a degree check appointment to ensure that CAPP is properly set up for their use. If you have questions about your CAPP compliance, please contact your adviser for assistance. You may also contact the Office of the Registrar by calling (307) 766-5272 or by coming to the West Wing of Knight Hall.

You will not receive a hard copy of your CAPP compliance in the mail, but you will be able to run a CAPP compliance through WyoWeb. You will also be able to run a “what if” scenario to learn how your course work would apply toward a different major.

Don’t know who your adviser is?

Undergraduate students:
If you have not declared a major or if you are an exchange student or high school guest student, contact:

Center for Advising and Career Services
Rm 222 Knight Hall, (307) 766-2398

If you have declared a major or indicated a major on your application for admission, contact the respective college contact indicated below:

College of Agriculture and Natural Resources: Dr. Donna Brown, Associate Dean
Rm 160 College of Agriculture Building, (307) 766-4135

College of Arts and Sciences: Contact your academic department.

Undeclared students within A&S should contact:

Center for Advising and Career Services
Rm 222 Knight Hall, (307) 766-2398

Distributed majors:

Humanities/Fine Arts: Ed Sherline in the Philosophy Dept.
Math/Science: Charles Angevine in the Mathematics Dept.
Social Science: Becky Despain in the Center for Advising and Career Services.

College of Business: Academic Advising Office
Rm 3 College of Business, (307) 766-2063

College of Education: Undergraduate Studies
Rm 100 McWhinnie Hall, (307) 766-2230

College of Engineering and Applied Science: Contact your academic department.

College of Health Sciences: Contact your academic department.

Graduate students: Contact your respective academic department.

You may also locate the name of your adviser on WyoWeb.

Be sure to notify the Office of the Registrar in writing of your anticipated graduation date. Please stop by our office to fill out an anticipated graduation date form. You will need to complete a new form if your anticipated graduation date changes.

To access your CAPP, log on to WyoWeb and follow these basic steps:

1. Choose the ‘Student Resources’ tab
2. Find the ‘Registration Tools’ channel
3. Click on the ‘Degree Evaluation’ link
4. Select a Term from the drop down if prompted
5. Select a program if prompted
6. Select ‘Generate Request’
7. Wait for request to process
8. Select ‘Remaining Requirements’ or ‘Detail Requirements’
Registration Information

Registration for Students Enrolled Spring Semester

Students registered for on-campus courses during the spring 2013 semester may register for fall classes beginning at their designated time during April as indicated by their adviser. NOTE: all registration holds must be cleared before you can complete any registration activity.

Registration for New or Re-enrolling Students

Individuals who have been fully admitted (have received a final admission letter from the Admissions Office) and students who are re-enrolling and have completed the necessary paperwork with the Admissions Office may register for classes beginning April 29. All students must first see their academic adviser for planning their schedule. The academic adviser will provide each student with his or her PERC (Personal Electronic Registration Code).

If you plan to come to campus for advising during the fall semester, please contact your adviser to ensure that advising will be available.

UW/CC and Outreach Students

If you normally enroll for classes through UW/CC and/or the Outreach School but want to register for a class in Laramie, it’s quite easy to do. Simply call the Office of the Registrar at (307) 766-5272, and tell them you are a UW/CC or Outreach student and now want to register for a Laramie class. You will be given instructions on how to obtain your PERC, and you may then register for your classes through WyoWeb. Or, your adviser or someone in the UW/CC or the Outreach School office may call the Office of the Registrar for you.

Advising

The University of Wyoming has a mandatory advising policy for all students except Non-Degree Graduate students. You will need to see your adviser for assistance in selecting which courses for which to register and to obtain your PERC number.

PERC

You will enter your PERC as part of the registration process the first time each semester you make registration changes on WyoWeb; please make note of your PERC and keep it in a safe place for future reference.

MMR Immunization

The University of Wyoming has implemented a policy to protect the University community against measles (rubeola), mumps, and rubella. All new on-campus students must provide proof of immunity to measles, mumps, and rubella prior to registration. The Student Immunization Form (available on the web at www.uwyo.edu/shser/_files/docs/mmr_student_immunization_form.pdf) must be completed, verifying compliance with this requirement, and sent to the Student Health Service prior to registration. Effective 9/3/02, two doses of MMR vaccine are required. Other acceptable methods to comply with the requirement are detailed on the Form. Please note that the Form must be verified and signed by a health care provider. Alternatively, a verified copy of an immunization record can be appended to the Form.

The only contraindication to the MMR immunization is a previous severe allergic reaction to the vaccine or vaccine component (neomycin, gelatin). Relative (temporary) contraindications include: pregnancy; persons with immunosuppressive illnesses or treatment; moderate or severe acute illness; and recent receipt of blood products. If you are uncertain as to whether you should receive the immunization, please talk with your health care provider.

Exemptions may be granted to the requirement in two instances: a medical exemption for a contraindication noted above, and a religious exemption. A medical exemption requires completion of the Medical Exemption Form with a notation of the reason for the exemption and a medical provider signature. To claim a religious exemption, a notarized form must be completed and attached to the Student Immunization Form. If an outbreak of one of these illnesses occurs on campus, students granted an exemption may be excluded from campus for the duration of the outbreak.

For students unable to verify MMR vaccinations, the vaccine is available at the Student Health Service for a nominal charge. It will be administered prior to registration for any eligible student, without an appointment, during office hours. Do not wait until registration to comply with the MMR immunization requirement, as this will delay the process.

In addition to the MMR requirement, international students are required to have tuberculosis testing prior to registration. This involves a tuberculin (Mantoux) skin test or blood test, and, if positive, a chest x-ray and consultation with a Student Health Service physician. The student is responsible for the costs incurred for these tests.

Method of Registration

Students may register for their classes through WyoWeb. WyoWeb provides an easy-to-use, visual mode of registration as well as other features that assist in the registration process.

Course Reference Numbers

Course Reference Numbers (CRNs) are five-digit numbers issued to each class and section being offered during a semester. These numbers are listed in the extreme left-hand column of the Class Schedule. If an asterisk ( * ) appears next to the CRN, you must contact the appropriate academic department to obtain permission to enroll and/or professor/section choice.

Linked Activities

Some academic departments have indicated courses which require labs and/or discussion sections as Linked Activities. This means that when you register for the primary activity (normally the lecture), you will be prompted to also register for the linked activity (normally a lab or discussion). You must enroll for the primary-level activity (e.g., lecture) at the same time that you enroll for the secondary-level activity. In order to drop or switch sections of a primary-level activity, you must first drop the secondary-level activity.

Wait Lists

If a department has established a waitlist for a course, you will be asked whether you would like to be placed on a waitlist when the section you desire is closed. Follow the directions given through WyoWeb to add yourself to a course waitlist.
Registration Information

will not be allowed for courses with active waitlists. It is your responsibility to monitor your status on a wait list to determine whether or not you have been enrolled. You will be charged tuition and given a grade of F if you are enrolled in a course you do not attend. If you place yourself on a wait list and then determine that you do not want the course, please be sure to drop yourself from the wait list before the published deadline so that others may enroll. Students who are registered for one section of a course may not waitlist for another section. Students who do so will be dropped from the waitlisted section. Students may not waitlist themselves for multiple sections of the same course. Students who do so will be dropped from all waitlisted sections.

Time Conflicts
You may not register for two courses that meet at the same time or for courses with overlapping meeting times. If you want the second course instead of the one you are registered for, you must drop the first one before adding the second course. If you want to register for two time-conflicting courses, you will need to obtain a Time Conflict form from the Office of the Registrar, obtain the approval signatures of the two respective instructors and return the form to the Office of the Registrar for processing. You will then be granted permission to add the course through WyoWeb.

Change of Registration (Drop/Add)
Adding classes, dropping classes, or changing grading options (e.g., A-F to S/U) constitutes a registration change. WyoWeb may be used to drop or add anytime after your initial registration until the end of the respective drop or add time period. Drop and add deadlines are strictly enforced.

For justifiable reasons, departmental and deans' offices may initiate changes in registration. It is the responsibility of the respective academic unit to notify students of any changes to their schedules. In these instances students do not need to complete the drop/add process unless they need to add a course to replace the course that has been dropped.

Withdrawing from a Course
Failure to attend a class or failure to pay tuition does not constitute withdrawal from a class or from the university. Students wishing to withdraw from some but not all course work can obtain a Class Withdrawal form from the Office of the Registrar or complete the appropriate Online Petition through WyoWeb. See the Deadlines section below. A class withdrawal is not official unless filed with the Office of the Registrar. Unauthorized discontinuance of enrollment or unofficial abandonment of classes will result in a failing grade. Financial aid recipients who wish to withdraw or reduce credit hours must consult with a financial aid counselor regarding repayment of financial aid funds if applicable.

Withdrawal from the University
Withdrawal from the university is the official termination of student status prior to the end of a term. Students wishing to withdraw from all on-campus classes should initiate the procedure with the Dean of Students Office. Withdrawal from the university is not permitted during the last 15 days of a term. (See number 4 below for more information and deadlines).

Deadlines
1. Dropping courses (without record on transcript) or switching sections of the same course:
   • September 5, 2013, (eight class days after the semester begins) for regular semester classes (this deadline will be strictly enforced);
   • August 29, 2013, (four class days after the semester begins) for blocked courses that begin at the start of the semester;
   • October 24, (four class days after the second blocked session begins) for blocked courses that begin the second eight weeks.
2. Adding courses and changing grading option:
   • September 9, 2013, (10 class days after the semester begins) for regular semester classes;
   • August 30, 2013, (five class days after the semester begins) for blocked courses that begin at the start of the semester;
   • October 25, 2013, (five class days after the second blocked session begins) for blocked courses that begin the second eight weeks.
3. Withdrawing from courses (with record on transcript):
   • November 1, 2013, (10 class days after mid-semester) is the deadline for withdrawing from individual regular semester courses. A mark of “W” will be assigned for the withdrawal.
   • September 27, 2013, (five days after the middle of the course) for blocked courses that begin at the start of the semester. A mark of “W” will be assigned for the withdrawal.
   • November 20, 2013, (five days after the middle of the course) for blocked courses that begin the second eight weeks. A mark of “W” will be assigned for the withdrawal.
   • With the exception of a student’s last course, withdrawals may be processed online through registration tools channel in WyoWeb or in person in the Office of the Registrar.
4. Withdrawing from the university:
   • November 22, 2013, (15 calendar days prior to the end of the semester) is the deadline to withdraw from the university for Fall 2013. Marks of “W” will be assigned to all courses. Forms for withdrawing from the university are available in the Dean of Students Office, 128 Knight Hall, (307) 766-3296. If you were on academic probation for the semester prior to this withdrawal, withdrawing for the university will result in being placed on academic suspension. To re-enter, you will need to petition for academic reinstatement (see the University Catalog for more information.) Outreach students should contact the Outreach School to withdraw.
WyoWeb Registration

Registration for Classes through WyoWeb –
The University of Wyoming Portal

1. Meet with your adviser to plan courses for Fall 2013 (not required for Outreach Students)

2. Receive your 6-digit PERC (Personal Electronic Registration Code) and your registration date and time
   - Do not lose this number. It will be required for class registration for this term

3. At or after your designated time, Log in to WyoWeb at: wyoweb.uwyo.edu
   - Enter your user ID and password (the same user ID and password that you use to log on to UW computers).
   - If you have not received your user name and password, go to the WyoWeb log in screen and click on the “Get Your Username and Initial Password” link. The first time you log in, you will be asked several questions to assist with resetting your password if you forget it in the future.

4. Click on the ‘Student Resources’ tab
   - Find the ‘Registration Tools’ channel.

5. In the ‘Registration Tools’ channel
   - Click on Add or Drop Classes.
   - Select ‘Fall 2013,’ press submit.

6. On the ‘Registration Status’ page, items with a ‘check-box’ are complete. Items marked with a yellow triangle must be completed before registration will be permitted.
   - Click on the link to verify/update your UW Alert cell phone number.
   - Once this is done, click the ‘Registration Status’ link at the bottom of the page.
   - Click on ‘Health Insurance Coverage’ to make a decision regarding Student Medical Insurance.
   - Select Yes if you want the Student Medical Insurance (you will be charged for this coverage.)
   - Select No if you do not want the Student Medical Insurance.
   - Once this is done, your response will be verified. Click the ‘Registration Status’ link at the bottom of the page.
   - Once all items are marked with checked boxes, click the ‘Add or Drop Classes’ link at the bottom of the page.

7. Enter your Fall 2013 PERC number (you will only need to enter this number one time per semester)

8. On the Add Classes Worksheet
   - Enter the 5-digit Course Reference Number (CRN) for each course in the boxes provided. Press Submit.
   - You may enter one course at a time or several, but linked courses (e.g. lecture/lab) must be entered together.
   - If a course is offered for variable credit, you will be prompted to select the number of credit hours. Press submit.
   - If a class is closed and a waitlist is available, you will be given the option of adding yourself to the waitlist. Click on waitlist and press submit.

9. To Search for available classes, click on the ‘Look Up Classes’ link at the bottom of the screen – you may also register directly from the Look Up classes listing by clicking on the Select box to the left of the course listing and submitting your changes. If the check box is replaced by a ‘C’, the course is closed.

10. Once your registration is complete, click on the ‘Back to Student Resources Channel’ link in the upper left corner of your screen

11. Click on the ‘Class Schedule’ link in the ‘Registration Tools Channel’ to view your schedule

12. Click on the ‘Add or Drop Classes’ link in the ‘Registration Tools Channel’ to drop a class
   - Choose the correct term.
   - Select Drop in the Registration Action field on the ‘Add Classes Worksheet’ - Press ‘Submit Changes’.

13. To Change Grading Options Click on the ‘Change Class Options’ link in the ‘Registration Tools’ channel

PERC Information

Your PERC (Personal Electronic Registration Code) is a 6-digit number that you will enter one time each semester to clear the Adviser Approval hold prior to registering for each term.

• Your PERC will change every semester
• You will get your new PERC from your adviser each term during advising week or prior to registering
• You will need to use your PERC number when you register for the first time each semester.

“W” Numbers

What is a “W” Number?
Your “W” number is your student identification number. It is a randomly assigned 8-digit number preceded by a W.

How do I find my “W” Number?
Your “W” number may be found on WyoWeb. Go to the “Student Resources” tab and click any of the links in the “Registration Tools” channel. Your “W” number may be found beneath your name in the upper right corner of the screen.

How is my “W” Number used?
Your “W” number replaces your social security number as your student identification number. You will need it whenever you fill out petitions, cash a check at the Cashier’s Office, speak to Student Financial Aid, and speak to the Office of the Registrar. You do not need to know your “W” number to enroll in classes.
An education at the University of Wyoming is grounded in a broad understanding of human knowledge developed through a range of courses and co-curricular activities, the most important of which is the University Studies Program of general education, required of all UW students. The specialized knowledge of a major evolves from general education. These two components of an education are complementary, enhancing one another throughout a student’s career.

The goal of the University Studies Program is to provide a general education that will help students develop for full participation in a technologically intricate world including:

1. The ability to express oneself in speech and writing;
2. The ability to locate, evaluate, and use information;
3. The ability to examine problems from quantitative, qualitative, and scientific perspectives;
4. Encouragement to become active citizens in a diverse society;
5. Gaining perspective to appreciate the viewpoints and deal with complex issues of others through multi- and inter-disciplinary inquiry;
6. Understanding the responsibility to participate in a democratic society;
7. Communicating clearly in a civic environment.

A list of all currently offered courses approved for the University Studies 1991 and 2003 Programs are at the back of this Class Schedule.

Requirements of the University Studies 2003 Program are:

Wyoming Community colleges have defined a Common General Education Core Curriculum as a component of an associate’s degree. Per the articulation agreement, an AA or AS degree from a Wyoming community college plus three additional credits of mathematics will satisfy the lower-division requirements of the University Studies Program. Students transferring to UW from any Wyoming community college without an associate’s degree will have their transcript reviewed on a course by course basis.

Students who enrolled at the University of Wyoming or an Wyoming community college prior to the fall of 2003 and who maintained continuous enrollment have the option of satisfying USP 1991 or USP 2003 requirements. Students who enter UW or a Wyoming community college beginning in fall of 2003 will be required to meet the USP 2003 requirements for graduation.
Students who have two exams at the same time or more than two exams in one day and who wish to ask for an exception must complete the Final Exam Conflict form available from the Office of the Registrar no later than December 2.

A document outlining exam rooms and times will be published approximately 30 days prior to the first day of final exams.

If you have questions, refer to UW Regulation 6-403 at www.uwyo.edu/generalcounsel/_files/docs/uw-reg-6-403.pdf

**Handicap Codes**

- **I** = Inaccessible
- **P** = Partial Access
- **WC** = Wheelchair accessible

**Note:** These access ratings are intended as a guide only. As campus barrier removal progresses, access ratings will change. A visit to each building rated “P” is advised to determine if individual needs may be met in that facility. Contact University Disability Support Services, SEO [(307) 766-6189, TTY: (307) 766-3073] for assistance with access to programs or classrooms in facilities coded “P” or “I.”

**Days**

- **M** = Monday
- **T** = Tuesday
- **W** = Wednesday
- **R** = Thursday
- **F** = Friday
- **S** = Saturday
- **U** = Sunday
- **MTWRF** = Monday through Friday inclusive
- **MWF** = Monday, Wednesday, and Friday
- **TR** = Tuesday and Thursday

**Hours**

**MWF 10:00am-10:50am** means that the class meets Monday, Wednesday, and Friday from 10:00am to 10:50am. When days and times are left blank for a given class, it indicates that the meeting time is to be arranged with the instructor in conference with the students. Fifty-minute morning classes (including 12:00 noon) begin on the hour. Fifty-minute afternoon classes begin at 10 minutes after the hour.

**Note:** Courses offered for more than two credit hours and meeting only two days per week (e.g. TR, MW or MF) will generally be held for 75 minutes on the scheduled day. Students should plan their schedules accordingly. Some courses with variable credit may be shown with a fixed number of credit hours. This indicates the department has elected to offer the course only for a fixed number of credits for this term.
# How to Read the Class Schedule

Most provisions in this schedule are subject to change without notice.

The class schedule is published each semester. It contains the list of courses to be taught in the term as well as information on deadlines and registration procedures. An illustration of the Class Schedule page entries is given below.

**Course Reference Number (CRN) #:** Indicates the number which is used with WyoWeb registration. If an asterisk (*) appears in this column after the CRN, the course is under Controlled Enrollment. You must contact the appropriate academic department to obtain permission to register for the course and for professor/section choice.

**USP:** Indicates which University Studies Program 2003 requirements the course meets.

**Course #:** Indicates level of material covered: 000-999, no credit; 1000-2999, primarily freshmen and sophomores; 3000-4999, primarily juniors and seniors; 5000-5999, primarily graduate students; 6000-6999, law and pharmacy. Shown in ascending order.

**Sec:** Section number. A course may be taught at more than one time of day. The section number distinguishes separate offerings of the same course. Shown in ascending order.

**Course Title:** Title of course as it will appear on a transcript. For official description, look in the University Catalog under the department which offers the course.

**Cr Hrs: Credit Hours.** The credit a course carries may vary from 1 to 12 or more; usually it will be 2, 3, or 4. An entry such as 1-3 means the course has variable credit and a student may sign up for 1 or 2 or 3 credits (consult with your adviser or the instructor).

**Meeting Times:** If no day or time is listed, this information is to be arranged, consult with the instructor or department.

**Bldg and Room:** Denotes course meeting location

### Soil Science 766-2263

**Prompt, accurate and personalized academic advising is a top priority at the University of Wyoming. If you need advising assistance or have advising concerns, please contact Department Head John Tanaka (766-2263).**

An asterisk (*) following the course reference number (CRN) indicates controlled enrollment. You must contact the appropriate academic department to obtain permission to register for the course and for professor/section choice.
