

Registration Information

Registration for Students Enrolled Spring Semester

Students registered for on-campus courses during the spring 2015 semester may register for fall classes beginning at their designated time during April as indicated by their adviser. NOTE: All registration holds must be cleared before you can complete any registration activity.

Registration for New or Re-enrolling Students

Individuals who have been fully admitted (have received a final admission letter from the Admissions Office) and students who are re-enrolling and have completed the necessary paperwork with the Admissions Office may register for classes beginning April 27. All students must first see their academic adviser for planning their schedule. The academic adviser will provide each student with his or her PERC (Personal Electronic Registration Code).

If you plan to come to campus for advising during the fall semester, please contact your adviser to ensure that advising will be available.

UWC and Outreach Students

If you normally enroll for classes through the University of Wyoming at Casper and/or the Outreach School but want to register for a class in Laramie, it's quite easy to do. Simply call the Office of the Registrar at (307) 766-5272, and tell them you are a UWC or Outreach student and now want to register for a Laramie class. You will be given instructions on how to obtain your PERC, and you may then register for your classes through WyoRecords. Or, your adviser or someone in the UWC or the Outreach School office may call the Office of the Registrar for you.

Advising

The University of Wyoming has a mandatory advising policy for all students except Non-Degree Graduate students. You will need to see your adviser for assistance in selecting which courses for which to register and to obtain your PERC number.

PERC

You will be required to enter your PERC number as part of the registration process the first time each semester you make registration changes through WyoRecords.

MMR Immunization

The University of Wyoming has implemented a policy to protect the University community against measles (rubeola), mumps, and rubella. All new on-campus students must provide proof of immunity to measles, mumps, and rubella prior to registration. The Student Immunization Form (available on the web at www.uwyo.edu/shser/_files/docs/mmr_student_immunization_form1.pdf) can be completed, verifying compliance with this requirement, and sent to the Student Health Service prior to registration. Two doses of MMR vaccine are required. Other acceptable methods to comply with the requirement are detailed on the Form. Please note that the Form must be verified and signed by a health care clinician. Alternatively, a verified copy of an immunization record can be appended to the Form.

The only contraindication to the MMR immunization is a previous severe allergic reaction to the vaccine or vaccine component (neomycin, gelatin). Relative (temporary) contraindications include: pregnancy; persons with immunosuppressive illnesses or treatment; moderate or severe acute illness; and recent receipt of blood products. If you are uncertain as to whether you should receive the immunization, please talk with your health care clinician.

Exemptions may be granted to the requirement in two instances: a medical exemption for a contraindication noted above, and a religious exemption. A medical exemption requires completion of the Medical Exemption Form with a notation of the reason for the exemption and a medical clinician signature. To claim a religious exemption, a notarized form must be completed and submitted. If an outbreak of one of these illnesses occurs on campus, students granted an exemption may be excluded from campus for the duration of the outbreak. Exemption forms can be found on the Student Health Service website (www.uwyo.edu/ShSer).

For students unable to verify MMR vaccinations, the vaccine is available at the Student Health Service for a nominal charge. It will be administered prior to registration for any eligible student, without an appointment, during office hours. Do not wait until registration to comply with the MMR immunization requirement, as this will delay the process.

In addition to the MMR requirement, international students are required to undergo tuberculosis screening prior to registration. Based on screening, a tuberculosis (Mantoux) skin test or blood test may be performed, and, if positive, a chest x-ray obtained with consultation with a Student Health Service physician. The student is responsible for the costs incurred for these tests.

Method of Registration

Students may register for their classes through WyoRecords. WyoRecords provides an easy-to-use, visual mode of registration as well as other features that assist in the registration process.

Course Reference Numbers

Course Reference Numbers (CRNs) are five-digit numbers issued to each class and section being offered during a semester. These numbers are listed in the extreme left-hand column of the Class Schedule. If an asterisk (*) appears next to the CRN, you must contact the respective academic department to obtain permission to enroll.

Linked Activities

Some academic departments have indicated courses which require labs and/or discussion sections as Linked Activities. This means that when you register for the primary activity (normally the lecture), you will be prompted to also register for the linked activity (normally a lab or discussion). You must enroll for the primary-level activity (e.g., lecture) at the same time that you enroll for the secondary-level activity. In order to switch sections of a linked class, you must commit the drop and add actions simultaneously. Select drop and enter the CRN you wish to add and submit changes only once.

Registration Information

Wait Lists

If a department has established a waitlist for a course, you will be asked whether you would like to be placed on a waitlist when the section you desire is closed. Follow the directions given through WyoRecords to add yourself to a course waitlist. Registration will not be allowed for courses with active waitlists.

Some departments may utilize Automatic Waitlisting while others will use a different process. **It is your responsibility to monitor your enrollment status. You will be charged tuition and given a grade of F if you are enrolled in a course which you do not attend.** If you place yourself on a wait list and then determine that you do not want to be enrolled in the course, please be sure to drop yourself from the wait list before the published deadline so that others may enroll.

Time Conflicts

You may not register for two courses that meet at the same time or for courses with overlapping meeting times. If you want the second course instead of the one you are registered for, you must drop the first one before adding the second course. If you want to register for two time-conflicting courses, you will need to obtain a Time Conflict form from the Office of the Registrar, obtain the approval signatures of the two respective instructors and return the form to the Office of the Registrar for processing. You will then be granted permission to add the course through WyoRecords.

Change of Registration (Drop/Add)

Adding classes, dropping classes, or changing grading options (e.g., A-F to S/U) constitutes a registration change. WyoRecords may be used to drop or add anytime after your initial registration until the end of the respective drop or add time period. Drop and add deadlines are strictly enforced.

For justifiable reasons, departmental and deans' offices may initiate changes in registration. It is the responsibility of the respective academic unit to notify students of any changes to their schedules. In these instances students do not need to complete the drop/add process unless they need to add a course to replace the course that has been dropped.

Withdrawing from a Course

Failure to attend a class or failure to pay tuition does not constitute withdrawal from a class or from the university. Students wishing to withdraw from some but not all course work may do so through WyoRecords. See the Deadlines section below. A class withdrawal is not official unless filed with the Office of the Registrar. Unauthorized discontinuance of enrollment or unofficial abandonment of classes will result in a failing grade. Financial aid recipients who wish to withdraw or reduce credit hours must consult with a financial aid counselor regarding repayment of financial aid funds if applicable.

Withdrawal from the University

Withdrawal from the university is the official termination of student status prior to the end of a term. Students wishing to withdraw from all on-campus classes should initiate the procedure with the Dean of Students Office. Withdrawal from the university is not permitted during the last 15 days of a term. (*See number 4 below for more information and deadlines.*)

PERC Information

Your PERC (Personal Electronic Registration Code) is a 6-digit number that you will enter one time each semester to clear the Adviser Approval hold prior to registering for each term (some exceptions apply).

- Your PERC will change every semester
- You will get your new PERC from your adviser each term during advising week or prior to registering
- You will need to use your PERC number when you register for the first time each semester.

“W” Numbers

What is a “W” Number?

Your “W” number is your student identification number. It is a randomly assigned 8-digit number preceded by a W.

How do I find my “W” Number?

Your “W” number may be found through WyoRecords. Go to the “Student Records” or “Registration” tabs and click any of the buttons. Your “W” number may be found beneath your name in the upper right corner of the screen.

How is my “W” Number used?

Your “W” number replaces your social security number as your student identification number. You will need it whenever you fill out petitions, cash a check at the Cashier’s Office, speak to Student Financial Aid, and speak to the Office of the Registrar. You do not need to know your “W” number to enroll in classes.
