

# Fall 2018 Final Examination Schedule

Students with two exams at the same time or more than two exams in one day should request another exam time for one of their finals by completing the Final Exam Conflict form, available from the Office of the Registrar. This form must be submitted no later than two weeks prior to the end of finals week. Requests submitted after this date are left to the discretion of the instructor.

Final exam times are based on regular class meeting days and times. Courses starting any time after the hour, such as 9:10, 9:35, or 9:45, will be scheduled with the starting hour period. For the preceding example, final exams would be scheduled at the 9 a.m. time. The outline below will be updated with a document outlining exam rooms and times and will be published approximately 30 days prior to the first day of final exams.
