

Degree Evaluations

The Office of the Registrar, in conjunction with all colleges, operates a computerized degree evaluation system through software called DegreeWorks. The DegreeWorks system contains many useful tools for tracking your progress towards degree and planning your path towards degree completion.

DegreeWorks includes a degree progress report/advising support system that matches your completed and current UW course work (and any transfer courses you might have) with your degree requirements to determine your progress toward earning your degree. The Degree Evaluation audit powered by DegreeWorks is available on WyoWeb to students and faculty advisors.

To access your Degree Evaluation, log on to WyoWeb under WyoRecords. A link for Degree Evaluation will be listed under the Student Records option. This link will open your Degree Evaluation in a new window (pop ups must be enabled).

The Degree Evaluation does not apply to students who entered the University prior to fall of 2009. These students should contact the Office of the Registrar to find the requirements in effect from before fall 2009. If you have questions about your Degree Evaluation, please contact your advisor for assistance. You may also contact the Office of the Registrar by calling (307) 766-5272 or by coming to the West Wing of Knight Hall.

Be sure to notify the Office of the Registrar in writing of your anticipated graduation date. Please stop by our office to fill out an anticipated graduation date form. You will need to complete a new form if your anticipated graduation date changes.

Don't know who your adviser is?

Undergraduate students:

If you have not declared a major or if you are an exchange student or high school guest student, contact:

Advising, Career, and Exploratory Studies Center
