## Chemistry 766-2479

Prompt, accurate and personalized academic advising is a top priority at the University of Wyoming. If you need advising assistance or have advising concerns, please contact: Advising Coordinator Robert Corcoran (766-2479) or Department Head David Anderson (766-2775).

The Chemistry Department checks prerequisites on 1000- and 2000-level courses prior to the beginning of each semester. Students without an appropriate prerequisite will be administratively dropped. After the prerequisite check, 1000- and 2000-level courses will be under controlled enrollment. ALL chemistry prerequisites can be found in the General Bulletin.

An asterisk ( \* ) following the course reference number (CRN) indicates controlled enrollment. You must contact the appropriate academic department to obtain permission to register for the course and for professor/section choice.

**CHEM 1020 (All Sections): Students must enroll in a laboratory and discussion section;**

**Prerequisites required: ACT Math Score of 23 OR concurrent enrollment in MATH 1400, 1405, or 1450.**

**Students not meeting the prerequisites will be administratively dropped. All labs meet for lab safety training on January 27.**

**Students not attending lab safety training on that date may be administratively dropped. Reserve Wednesdays 5-7 pm for exams.**

## Mathematics 766-4221

Prompt, accurate and personalized academic advising is a top priority at the University of Wyoming. If you need advising assistance or have advising concerns, please contact: Advising Coordinator John Spitler (766-4205).

An asterisk ( \* ) following the course reference number (CRN) indicates controlled enrollment. You must contact the appropriate academic department to obtain permission to register for the course and for professor/section choice.

The Math Department checks prerequisites on all courses approximately one week prior to the beginning of each semester. Students without an appropriate prerequisite will be administratively dropped from their math course. Most courses will be placed under controlled enrollment one week before classes begin. Students will be unable to register for these courses through WyoWeb and should use the online registration request form found at <http://www.uwyo.edu/math/math-registration> to have prerequisites checked and get enrolled in a math course. Department staff will help students who were dropped from a math class enroll in an alternative math course. The Math Department makes every effort to accommodate all students wanting to get into a math course. Due to the volume of students the department serves, all phone inquiries cannot necessarily be answered. If students are calling from off-campus, messages can be left at (307)766-4221. PLEASE SEE THE FRONT SECTION OF THE SCHEDULE FOR INFORMATION ON MATH PLACEMENT.

Prompt, accurate and personalized academic advising is a top priority at the University of Wyoming. If you need advising assistance or have advising concerns, please contact: Advising Coordinator Jennifer Turpen (766-9883) or Department Head Theresa Bogard (766-5242).

An asterisk ( \* ) following the course reference number (CRN) indicates controlled enrollment. You must contact the appropriate academic department to obtain permission to register for the course and for professor/section choice.

Section 02 (2 credits) \$300.00 plus \$35.00 practice room fee

**All performing ensembles will require extra time beyond the scheduled class times for dress rehearsals, concerts and tours.**
