Hours

MWF 10:00am-10:50am means that the class meets Monday, Wednesday, and Friday from 10:00am to 10:50am. When days and times are left blank for a given class, it indicates that the meeting time is to be arranged with the instructor in conference with the students. Fifty-minute morning classes (including 12:00 noon) begin on the hour. Fifty-minute afternoon classes begin at 10 minutes after the hour.

Note: Courses offered for more than two credit hours and meeting only two days per week (e.g. TR, MW or MF) will generally be held for 75 minutes on the scheduled day. Students should plan their schedules accordingly. Some courses with variable credit may be shown with a fixed number of credit hours. This indicates the department has elected to offer the course only for a fixed number of credits for this term.
