

Admission Information

I. Undergraduate Admission

UW Welcomes all students to apply and will consider each student based on their individual academic achievement. Students may apply for admission up to one year before they intend to enroll online at www.uwyo.edu/apply. Admission decisions are made on a rolling basis as soon as all application materials are received in the Admissions Office. To avoid delays and complications, all application materials should be on file in the Admissions Office at least 30 days before the beginning of the semester.

Required Admission Application Materials

- Online application completed at www.uwyo.edu/apply
- \$40 non-refundable undergraduate application fee
- Official high school and/or college transcripts
- Official standardized test scores (ACT or SAT)

ACT or SAT results are required for new freshman, applicants under 21 years in age, and used for admission, math placement, academic advising and academic scholarship consideration. High school students should take the ACT or SAT during the spring of their junior year or fall of their senior year. To be considered official, scores need to be submitted to UW directly from the testing agency or on the high school transcript. Writing sections in both the ACT and SAT are not considered as part of the admission requirements.

All official student transcripts must be sent directly to the Admissions Office by the originating institution. A final, official high school transcript indicating the graduation date is required post-graduation to complete admission requirements. UW Admissions only accepts faxed transcripts from Wyoming community colleges.

Orientation: All new freshmen and transfer students are strongly encouraged to attend new student orientation prior to their first UW semester. Sessions provide students with an opportunity to meet faculty and staff, plan an academic schedule, explore credit transfer, discuss college life, and register for courses. Additional information on orientation is available at www.uwyo.edu/orientation.

Letters of recommendation may also be required by some departments.

Graduate applicants should contact the respective academic departments for questions concerning application status, degree program requirements, deadlines, and supplemental application materials they may require.

Students admitted with graduate standing may elect to take any undergraduate or graduate courses for which they are prepared, subject to restrictions as outlined in the *University Catalog*. However, tuition will be assessed at the graduate level for all courses taken with graduate status. Admission to graduate study does not automatically make a student a candidate for an advanced degree.

VII. Other Information

Western Interstate Commission for Higher Education (WICHE)

The Western Interstate Commission for Higher Education (WICHE) was created in 1953 by the governors and legislators of the western states. The primary commitment is to provide access to educational programs through interstate cooperation. Wyoming provides opportunities for qualified residents in the following programs:

Professional Student Exchange Program (PSEP) offers certified Wyoming residents access to professional education in the fields of dentistry, medicine, occupational therapy, optometry, osteopathic medicine, physical therapy, physician's assistant, podiatry, and veterinary medicine. To be eligible for certification, the applicant must be a legal resident of the State of Wyoming for one year immediately prior to enrolling in professional school. Applications for certification are located at www.uwyo.edu/hs/wiche-wwami-wydent-program/index.html and are due no later than October 15 of the year preceding the anticipated start date of professional school. Applicants who are accepted to a professional program and who receive state support pay reduced tuition. In all fields except veterinary medicine, students receiving state support must either pay back the money expended on their behalf, or practice in their fields in the state of Wyoming for three years. State support is dependent on continued appropriations from the Wyoming State Legislature.

Western Regional Graduate Program (WRGP) provides opportunities for qualified Wyoming residents to attend distinctive or health-related graduate programs in participating WICHE states and territories. Those accepted pay resident or significantly reduced tuition at the school they attend.

Western Undergraduate Exchange (WUE) allows residents of participating states and territories to attend a participating institution at reduced cost of 150% of the institution's resident tuition. Not all institutions in the participating states offer WUE opportunities.

The University of Wyoming invites competitive applicants from participating states and territories and awards WUE to highly qualified students. Information can be obtained from the UW Admissions Office.

Information about WICHE programs may be obtained from the WICHE Certifying Office; Dept. 3432, 1000 E. University Ave.; Laramie, WY 82071; (307)766-6704 or (307)766-3499 or certoff@uwyo.edu or WICHE Student Exchange Program, 3035 Center Green Drive, Suite 200; Boulder, CO 80301-2204, (303) 541-0214 or <http://www.wiche.edu/studentexchange>.

Wyoming Senior Citizen Policy

Wyoming senior citizens, age 65 and over, who have been admitted to UW may enroll in university courses on a space available basis at no cost upon presentation of evidence of age and Wyoming residence prior to the beginning of the term in which classes will be taken.

Since standard registration fees will not be assessed, additional student benefits will not be available under the senior citizen policy. Alternatively, full-time senior citizen students wishing to receive student benefits may enroll and pay regular registration fees. Scheduled Outreach School classes which meet minimum enrollment requirements are included in the courses available to senior citizens.

Board of Trustee Retirement Benefits

Beginning Spring 2002, official board retirees may attend University of Wyoming classes on a space available basis at no cost. To qualify for this benefit, you must be an official board retiree, 25 years of university service or age 60 with 15 years of immediately preceding university service.

Readmission

Readmission is the process for former University of Wyoming students to again be admitted to the university. Former UW students who have attended another college since their last UW enrollment must have one official transcript from each college sent directly to the UW Admissions Office. Undergraduate students who are returning to UW after an absence of one semester or longer should complete an application for admission at least 30 days prior to registration, thereby allowing sufficient time to avoid delays in registration.

Academic Reinstatement: Former students who are on academic suspension at UW must petition for reinstatement through the dean of their college. A petition for reinstatement must be submitted no later than 15 days before the beginning of the semester or summer term in which the student wishes to register. A petition received after this deadline may not be processed until after the regular registration period.

Academic Renewal: An undergraduate student who returns to UW and has not completed a college course at UW (excluding flexible enrollment [correspondence study]), during the previous five years, will have the option of continuing his or her earlier UW cumulative GPA or commencing a new cumulative GPA under the Academic Renewal policy. Interested students must submit the Academic Renewal Application Form (which can be obtained in the Office of the Registrar) to the registrar no later than ten class days before the last day of classes of the semester in which the student returns to UW.

The entire UW transcript will remain intact. A note indicating the policy will precede the new part of the UW transcript if the student opts for academic renewal. At the discretion of the academic department in which the student is enrolled, credit hours for which the student earned the grade of C or better may be applied toward the completion of the degree requirements. The list of any departmentally approved courses must be indicated on the Academic Renewal Application Form when initially submitted to the registrar. No further changes may be requested.

A student's GPA and completed courses that were applied to a baccalaureate degree are not eligible for academic renewal.
