How to Read the Class Schedule

Most provisions in this schedule are subject to change without notice.

The class schedule is published online each semester and summer session. It contains the list of courses to be taught in the term as well as information on deadlines and registration procedures. An illustration of the Summer Bulletin and Class Schedule page entries is given below.

CRN: The Course Reference number is used for WyoWeb registration. Enter the CRN of a course for which you would like to enroll on the Add/Drop Worksheet on WyoWeb. If an asterisk appears following the CRN, the course has controlled enrollment. Contact the department for enrollment authorization.

USP: Indicates which University Studies requirements the course meets.

Course #: Indicates level of material covered: 000-999, no credit; 1000-2999, primarily freshmen and sophomores; 3000-4999, primarily juniors and seniors; 6000-6999, law and pharmacy. Shown in ascending order. Section number. A course may be taught at more than one time of day. The section number distinguishes separate offerings of the same course. Shown in ascending order.

Course Title: Title of course as it will appear on a transcript. For official description, look in the General Bulletin under the department which offers the course.

Cr Hrs: Credit Hours. The credit a course carries may vary from 1 to 12 or more; usually it will be 2, 3, or 4. An entry such as 1-3 means the course has variable credit and a student may sign up for 1 or 2 or 3 credits (consult with your adviser or the instructor).

Days & Meeting Times: If these fields are blank, the days and times are to be arranged; consult with the instructor or department officials.

Bldg & Room: Denotes meeting place.

Dates: Meeting dates

Satisfactory/Unsatisfactory, the course is offered for S/U credit only (such a course cannot be taken for an A-F grade).

If days/times are blank: the course time is to be arranged; consult the instructor or department officials.

Staff means that a specific instructor was not assigned to teach when the Summer Bulletin went to press.

Dates are the time period during which the course meets.
