

University Studies Program: 2003

An education at the University of Wyoming is grounded in a broad understanding of human knowledge developed through a range of courses and co-curricular activities, the most important of which is the University Studies Program of general education, required of all UW students. The specialized knowledge of a major evolves from general education. These two components of an education are complementary, enhancing one another throughout a student's career.

The goal of the University Studies Program is to provide a general education that will help students develop for full participation in a technologically intricate world including:

1. The ability to express oneself in speech and writing;
2. The ability to locate, evaluate, and use information;
3. The ability to examine problems from quantitative, qualitative, and scientific perspectives;
4. Encouragement to become active citizens in a diverse society;
5. Gaining perspective to appreciate the viewpoints and deal with complex issues of others through multi- and inter-disciplinary inquiry;
6. Understanding the responsibility to participate in a democratic society;
7. Communicating clearly in a civic environment.

Wyoming Community colleges have defined a Common General Education Core Curriculum as a component of an associate's degree. Per the articulation agreement, an AA or AS degree from a Wyoming community college plus three additional credits of mathematics will satisfy the lower-division requirements of the University Studies Program. Students transferring to UW from any Wyoming community college without an associate's degree will have their transcript reviewed on a course by course basis.

Students who enrolled at the University of Wyoming or a Wyoming community college prior to the fall of 2003 and who maintained continuous enrollment have the option of satisfying USP 1991 or USP 2003 requirements. Students who enter UW or a Wyoming community college beginning in fall of 2003 will be required to meet the USP 2003 requirements for graduation.
