"W" Numbers

What is a "W" Number?

Your "W" number is your student identification number. It is a randomly assigned 8-digit number preceded by a W.

How do I find my "W" Number?

Your "W" number may be found on WyoRecords. Go to the "Student Records" tab and click the "View Student Information" button. Your "W" number may be found beneath your name in the upper right corner of the screen.

How is my "W" Number used?

Your "W" number replaces your social security number as your student identification number. You will need it whenever you fill out petitions, cash a check at the Cashier's Office, speak to Student Financial Aid, and speak to the Office of the Registrar. You do not need to know your "W" number to enroll in classes.
