Catalog: 2021-2022 University of Wyoming Catalog  
 Program: Music Education, B.M.

## Music Education, B.M.

All music majors must successfully complete MUSCo200 - Music Convocation (0 credit, S/U) each semester in residence and must enroll in lessons and one major ensemble per semester. Each ensemble course is deemed to be a unique course even though the course number is not unique. To fulfill this degree requirement students will be expected to enroll in ensembles at the lower and upper divisions a minimum of four times with a career maximum of 8. All music majors must pass the piano proficiency test during their sophomore year. Class Piano 1-4 is highly recommended for majors with little piano background. Consult your advisor and the Music Handbook for specific information.

## University and College Requirements

In addition to the major requirements listed below, students must complete all university requirements listed elsewhere in this *Catalog*. A minimum of 42 hours of the total degree must be at the junior/senior level. Check with your adviser about music courses which fulfill University Studies Program requirements.
