 Major in Agricultural Communications, B.S.

## Secondary Agricultural Education with Concurrent Major in Agricultural Communications, B.S.

Graduates of this program earn a Bachelor’s Degree in Agricultural Education and a concurrent major in Agricultural Communications. It prepares students to teach Agriculture in grades 6-12.

A concurrent major ensures that graduates are highly qualified teachers and will expand career possibilities.

This program requires a minimum of 127 total hours. All major courses must be passed with a grade of C or better. A minimum GPA of 2.500 in major content courses is required. A minimum of 42 credits must be upper-division.

An initial background check must be completed prior to starting any field or practicum experience. Student fees cover the cost of this initial background check so work with your College of Education advisor for details.
