B.S. Speech-Language Pathology and Audiology Program Notes:

- Degree Candidates must meet the academic requirements of the university, and must have a minimum GPA of 2.0 in all courses required for the major. • Grades of C or better are required for all SPPA courses for the major.

(*) AP scores for LIFE 1010, STAT 2050, PSYC 1000, ENGL 1010, or any other specifically named courses listed in this Speech, Language, Hearing Sciences degree plan will not count toward this major, unless the AP class was taken in partnership with a community college and an actual course appears on a community college transcript that has been sent to UW.

Background checks are required at some point within all Health Science majors and careers. Students should understand the long-term ramifications of all decisions and actions early on so as not to jeopardize future academic and career goals.

University of Wyoming Requirements

- Students must have a minimum cumulative GPA of 2.0 to graduate.
- Students must complete 42 hours of upper division (3000-level or above) coursework, 30 of which must be from the University of Wyoming.
- Courses must be taken for a single letter grade unless offered only for S/U.
- University Studies Program (USP), Human Culture (H) and Physical & Natural World (PN) courses must be taken outside of the major subject, but can be cross-listed with the major.

The University of Wyoming Office of the Registrar provides final approval of degree completion requirements prior to the awarding of any degree.
